Dear Kate,

I am writing regarding Dr Linda Kao's Electronic Disclosure and Copyright forms for the manuscript [**STROKE/2014/006609R1**], titled "Polygenic overlap between kidney function and large artery atherosclerotic stroke", on which she is a co-author.

As Dr Kao's next of kin, I state and confirm that I have completed the electronic forms on her behalf.

Sincerely,
Warren G. Goda
