**To:** circulation.research@circresearch.com  
**Cc:** Christopher R. Cogle; Bettencourt, Judith L  
**Subject:** Acknowledgement to Circulation Research on MS # CIRCRES/2014/304353R1

To whom this may concern,

I hereby give permission to be included in Dr. Cogle's paper titled "A Detailed Analysis of Bone Marrow from Patients with Ischemic Heart Disease and Left Ventricular Dysfunction: BM CD34, CD11b and Clonogenic Capacity as Biomarkers for Clinical Outcomes."

Thank you very much.

Sincerely,

Raphael C Bosse  
University of Florida MD-PhD Scholar
