

Supplemental Information

Intratumoral myeloid cells drive responsiveness and resistance to anti-angiogenic therapy

Lee B. Rivera, David Meyronet, Valerie Hervieu, Mitchell J. Frederick, Emily Bergsland, and Gabriele Bergers

SUPPLEMENTAL INFORMATION INVENTORY:

Supplemental Data

Figure S1 is related to Figure 1.

Figure S2 is related to Figure 1 and the Discussion.

Figure S3 is related to Figure 2.

Figure S4 is related to Figure 4.

Figure S5 is related to Figure 5 .

Figure S6 is related to Figure 7.

Figure S7 is related to Figure 7.
