

**S4 Figure. *B. malayi mec-3* regulatory sequence drives expression in ventral cord neurons.**

(A) *B. malayi mec-3* regulatory sequence drives expression of *GFP*. Animal photographed at 400x magnification, ventral cord at bottom. Image is a mosaic of single animals. (B) 1000x magnification of animal with ventral side up. (C) 1000x magnification of animal with ventral side up, vulva at center.
