Hello Stephanie,

Thank you for your interest in the American Thoracic Society journals. The cost for usage of the requested materials is \$200.

Attached you will find our Permission Request form. If you wish to proceed, please fill it out and include your form of payment.

Upon receipt and completion of payment, you will be notified of the approval of your request.

Best,

Alan Vay

Subject: Permission request

Attn: Diane Gern

Dear Ms. Gern:

Drs. Maron and Leopold request permission to use Figures 3 (panel A) and 6 (panels A and B) from the following publication:

Dysregulated renin-angiotensin-aldosterone system contributes to pulmonary arterial hypertension. de Man, F.S., et al. Am J Respir Crit Care Med 2012;186(8):780-789. Figure 3 is on page 784; Figure 6 is on page 786.

The authors have created a new work that has been accepted for publication:

Maron, A.B., and Leopold, J.A. Emerging Concepts in the Molecular Basis of Pulmonary Arterial Hypertension (PAH): Part II: Neurohormonal Signaling Contributes to the Pulmonary Vascular-right Ventricular Pathophenotype of PAH. To be published in: Circulation, published by Lippincott Williams and Wilkins. The anticipated publication date will be sometime this month, or early October.

Dr. Maron's email address is: bmaron@partners.org

Dr. Leopold's email address is: jleopold@partners.org

Please let us know if you have any questions. Thank you.

Sincerely,

Stephanie Tribuna
