

Please do not put your name on this survey, it is meant to be anonymous.

The ACGME in conjunction with other academic organizations have developed a series of 22 milestones within the 6 ACGME competencies. Starting in June 2014, and every six months thereafter, programs will have to submit milestone ratings to the ACGME for each individual resident.

***1. What is your PGY year?**

- PGY 1
- PGY 2
- PGY 3

***2. Has your program informed you of the new milestones?**

- Yes
- No

***3. How have they informed you? (choose all that apply)**

- Email
- Resident meetings
- Sent us milestones to read
- Posted on web
- Other (please specify)

***4. For your most recent biannual evaluation, did you receive feedback in milestone language?**

- Yes
- No

***5. How useful was this information in helping you identify areas of strength?**

- Extremely useful
- Very useful
- Somewhat useful
- Not very useful
- Not at all useful

***6. How useful was this information in helping you identify areas of weakness?**

- Extremely useful
- Very useful
- Somewhat useful
- Not very useful
- Not at all useful

***7. How useful was this information in helping you identify specific areas that you needed to improve upon?**

- Extremely useful
- Very useful
- Somewhat useful
- Not very useful
- Not at all useful

***8. How useful was this information in giving you a sense of whether or not you were progressing in your professional development at the expected rate?**

- Extremely useful
- Very useful
- Somewhat useful
- Not very useful
- Not at all useful
