Study title: WHAT IS THE STATE OF REMEDIATION IN EMERGENCY MEDICINE RESIDENCY PROGRAMS?

This research survey is being conducted by Dr. Weizberg from Staten Island University Hospital on behalf of the CORD Remediation Task Force. We are conducting a research study about the state of remediation in Emergency Medicine residency programs. The following survey should take about 5 minutes to complete.

Participation is voluntary. If you would prefer not to participate, simply submit a blank survey. If you agree to participate, please complete the attached survey. Your responses are anonymous; do not put your name or other identifying information on this survey. We ask that you try to answer all questions. However, if there are any questions that you would prefer to skip, simply leave the answer blank.

Researcher contact information:

Name: Dr. Moshe Weizberg
Title: Residency Director
Dept: Emergency Medicine
Staten Island University Hospital
