Tami,

I give my permission to be mentioned by name in the Acknowledgement section of the manuscript entitled, "*Telephone Assessment and Skill-Building Kit for Stroke Caregivers: A Randomized Controlled Clinical Trial*" (MS ID: STROKE/2015/011099 – R1) that was submitted to the journal *Stroke* by first author Tamilyn Bakas.

Hi Phyllis, I was able to resubmit the TASK II Primary Outcomes paper to the journal *Stroke* today. I am hoping it gets accepted this time. Attached is the cover letter, response to reviewers, and manuscript. I included you in the acknowledgements section in the "merged" file on p. 17 since you provided such wonderful copyediting.

Below is the link... Can you print, sign, date, scan, and email to me? <http://www.ahajournals.org/site/misc/permission.xhtml>

If that's too difficult, can you reply to this email saying that you give your permission to be mentioned by name in the Acknowledgement section of the manuscript entitled, "*Telephone Assessment and Skill-Building Kit for Stroke Caregivers: A Randomized Controlled Clinical Trial*" (MS ID: STROKE/2015/011099 – R1) that was submitted to the journal *Stroke* by first author Tamilyn Bakas.

Thanks!

*Tami*
