Subject: Circulation Research Paper Acknowledgement

Dear Roger,

I hope this message finds you well.

We acknowledged you in a Circulation Research manuscript that we anticipated to be accepted soon.

As you know, according to journal policy, anyone who was acknowledged must send an e-mail to

circulation.research@circresearch.com

citing their permission to be acknowledged.

Here is the acknowledgement if you want to see it:

The authors thank Dr. Roger Hajjar (Mount Sinai Hospital) for help with AAV9 generation, Dr. Ron Kopito (Stanford University) for the TCR-a-HA plasmid.

If you could send an e-mail to Circ Res acknowledging our acknowledgement of you, it would be much appreciated.

Please let me know if you have any questions.
