Subject: Re: REvised MS for Oncogene

Dear Dr. Avadhani,

I agree to the changes in the author list of the revised version of this manuscript.
Thanks for the opportunity to contribute to this manuscript.

Thanks,
Manti

Dear Colleagues:

We are preparing to resubmit the revised Oncogene MS. The revised version contains authors not listed in the original version. According to the journal policy, we need a consent for this change from all the authors. To speed up the process, please send me a short e-mail saying that you agree to the change in the author list and that I have full consent for submitting the manuscript.

Thank you.
