

Supplemental Table I. Unadjusted and adjusted risk of post-discharge mortality stratified by eGFR and BUN at discharge

Endpoint	Group	No. of Patients	No. of patients with events (%)	Unadjusted HR	(95% CI)	P value	Adjusted HR	(95% CI)	P value
All-cause death	eGFR \geq30 and BUN <25	2424	314 (13.0)	1.00			1.00		
	eGFR \geq30 and BUN \geq25	1059	255 (24.1)	2.06	(1.74 - 2.43)	<0.001	1.40	(1.18 - 1.67)	<0.001
	eGFR <30 and BUN <25	126	23 (18.3)	1.60	(1.05 - 2.45)	0.03	1.26	(0.86 - 2.10)	0.19
	eGFR <30 and BUN \geq25	840	259 (30.8)	2.88	(2.44 - 3.40)	<0.001	1.80	(1.50 - 2.16)	<0.001
Cardiac death	eGFR \geq30 and BUN <25	2424	163 (6.7)	1.00			1.00		
	eGFR \geq30 and BUN \geq25	1059	144 (13.6)	2.22	(1.77 - 2.78)	<0.001	1.56	(1.23 - 1.97)	<0.001
	eGFR <30 and BUN <25	126	9 (7.1)	1.18	(0.60 - 2.31)	0.63	0.95	(0.44 - 2.04)	0.90
	eGFR <30 and BUN \geq25	840	148 (17.6)	3.14	(2.51 - 3.92)	<0.001	2.09	(1.64 - 2.68)	<0.001

eGFR = estimated glomerular filtration rate, BUN = blood urea nitrogen, HR = hazard ratio, CI = confidence interval.

Supplemental Table II. Unadjusted and adjusted risk of post-discharge mortality stratified by eGFR using the simplified MDRD-4 formula and BUN at discharge

Endpoint	Group	No. of Patients	No. of patients with events (%)	Unadjusted HR	(95% CI)	P value	Adjusted HR	(95% CI)	P value
All-cause death	eGFR \geq45 and BUN <25	2368	306 (12.9)	1.00			1.00		
	eGFR \geq45 and BUN \geq25	908	211 (23.2)	1.98	(1.66 - 2.36)	<0.001	1.37	(1.14 - 1.65)	<0.001
	eGFR <45 and BUN <25	182	31 (17.0)	1.39	(0.96 - 2.02)	0.08	1.13	(0.76 - 1.67)	0.54
	eGFR <45 and BUN \geq25	991	303 (30.6)	2.83	(2.41 - 3.31)	<0.001	1.75	(1.46 - 2.08)	<0.001
Cardiac death	eGFR \geq45 and BUN <25	2368	158 (6.7)	1.00			1.00		
	eGFR \geq45 and BUN \geq25	908	117 (12.9)	2.11	(1.66 - 2.68)	<0.001	1.50	(1.17 - 1.92)	0.002
	eGFR <45 and BUN <25	182	14 (7.7)	1.21	(0.70 - 2.09)	0.50	0.99	(0.55 - 1.78)	0.97
	eGFR <45 and BUN \geq25	991	175 (17.7)	3.12	(2.52 - 3.88)	<0.001	2.08	(1.64 - 2.64)	<0.001

eGFR = estimated glomerular filtration rate, BUN = blood urea nitrogen, HR = hazard ratio, CI = confidence interval.

Supplemental Table III. Unadjusted and adjusted risk of post-discharge mortality stratified by eGFR using the CKD-EPI equation and BUN at discharge

Endpoint	Group	No. of Patients	No. of patients with events (%)	Unadjusted HR	(95% CI)	P value	Adjusted HR	(95% CI)	P value
All-cause death	eGFR \geq45 and BUN <25	2386	311 (13.0)	1.00			1.00		
	eGFR \geq45 and BUN \geq25	966	218 (22.6)	1.91	(1.61 - 2.28)	<0.001	1.33	(1.11 - 1.60)	0.002
	eGFR <45 and BUN <25	164	26 (15.9)	1.33	(0.89 - 1.99)	0.16	1.01	(0.65 - 1.56)	0.97
	eGFR <45 and BUN \geq25	933	296 (31.7)	2.92	(2.49 - 3.42)	<0.001	1.78	(1.49 - 2.12)	<0.001
Cardiac death	eGFR \geq45 and BUN <25	2386	160 (6.7)	1.00			1.00		
	eGFR \geq45 and BUN \geq25	966	123 (12.7)	2.08	(1.65 - 2.63)	<0.001	1.46	(1.14 - 1.87)	0.003
	eGFR <45 and BUN <25	164	12 (7.3)	1.18	(0.66 - 2.12)	0.58	0.87	(0.44 - 1.72)	0.69
	eGFR <45 and BUN \geq25	933	169 (18.1)	3.20	(2.58 - 3.98)	<0.001	2.15	(1.69 - 2.74)	<0.001

eGFR = estimated glomerular filtration rate, BUN = blood urea nitrogen, HR = hazard ratio, CI = confidence interval.

Appendices

Study investigators (53 hospitals): Nippon Medical School: Naoki Sato, Kuniya Asai, Ryo Munakata, Toshiyuki Aokage, Asuka Yoshida; Tokyo Women's Medical University: Yuichiro Minami, Dai Yumino, Masayuki Mizuno, Erisa Kawada, Kentaro Yoshida, Yuri Ozaki, Tomohito Kogure, Shintaro Haruki; Saitamaken Saiseikai Kurihashi Hospital: Masayuki Mizuno; Aoyama Hospital, Tokyo Women's Medical University: Katsuya Kajimoto; Saiseikai Kumamoto Hospital: Koichi Nakao, Tadashi Sawamura, Toshiaki Nuki; Toyota Memorial Hospital: Ryoji Ishiki, Shigeki Yokota; Tokushima Prefectural Central Hospital: Hiroyuki Fujinaga, Takashi Yamamoto, Kenji Harada, Akihiro Saito, Norihito Kageyama, Takanobu Okumura; Chiba Hokusoh Hospital, Nippon Medical School: Noritake Hata, Koji Murai, Ayaka Nozaki; Shizuoka Medical Center: Hidekazu Kawanaka, Jun Tanabe; Hyogo Prefectural Amagasaki Hospital: Yukihito Sato; Oji General Hospital: Katsuhisa Ishii, Hitoshi Oiwa, Tomoaki Matsumoto, Daisuke Yoshida, Nobuo Kato; Showa University Fujigaoka Hospital: Hiroshi Suzuki, Nobuyuki Shimizu; Edogawa Hospital: Takehiko Keida, Masaki Fujita, Kentaro Nakamura, Toshiya Chinen, Kentaro Meguro, Tatsuro Kikuchi, Toshiyuki Nishikido, Marohito Nakata, Tatsuya Yamashita, Masaya Nakata; Kurashiki Central Hospital: Akitoshi Hirono, Kazuaki Mitsudo, Kazushige Kadota, Noriko Makita, Nagisa Watanabe; Hyogo College of Medicine: Masaaki Kawabata, Kenichi Fujii; Yamaguchi University: Shinichi Okuda, Shigeki Kobayashi; Fukui Cardiovascular Center: Ikuo Moriuchi, Kiyoo Mizuno, Kazuo Osato, Tatsuaki Murakami, Yoshifumi Shimada, Katsushi Misawa, Hiromasa Kokado, Takashi Fujita, Yoshitomo Fukuoka, Syu Takabatake;

Tokyo Medical University Hospital: Yoshifumi Takata, Manabu Miyagi, Nobuhiro Tanaka, Akira Yamashina; Yatsu Hoken Hospital: Shinji Sudo; Shonan Dai-ichi Hospital: Koichi Shimamura, Michitaka Nagashima; Komatsu Municipal Hospital: Tomoya Kaneda, Kosei Ueda, Hiromasa Kato, Toshinori Higashikata; Sendai Cardiovascular Center: Kanichi Fujimori, Hiroshi Kobayashi, Shinya Fujii, Masahiro Yagi, Yuri Ozaki, Jyunko Takaki; Gunma Prefectural Cardiovascular Center: Eiji Yamashita, Takuji Toyama; Seirei Hamamatsu General Hospital: Tetsuo Hirata, Kazuho Kamisihima, Toshiaki Oka; Osaka City General Hospital: Ryushi Komatsu, Akira Itoh, Takahiko Naruko, Yukio Abe, Eiichirou Nakagawa, Atsuko Furukawa, Naoto Kinou, Shoko Uematsu, Isao Tabuchi; Suwa Central Hospital: Taku Imai; Kyushu University Hospital: Takafumi Sakamoto, Koji Todaka; Nagasaki University Hospital of Medicine and Dentistry: Yuji Koide, Koji Maemura; Tokai University School of Medicine: Koichiro Yoshioka; Fukushima Medical University: Akiomi Yoshihisa, Takamasa Sato, Yasuchika Takeishi; Yokohama City University Medical Center: Toshiaki Ebina, Kazuo Kimura, Masaaki Konishi; Tottori University Hospital: Masahiko Kato, Yoshiharu Kinugasa, Katsunori Ishida, Shinobu Sugihara, Kiyotaka Yanagihara; Asahikawa Medical College: Toshiharu Takeuchi, Motoi Okada, Naoyuki Hasebe; Showa University School of Medicine: Tetsuo Sakai, Taku Asano, Yoshino Minoura, Tsutomu Toshida, Takatoshi Sato, Yuya Yokota, Seita Kondo; Osaka University Hospital: Yasushi Sakata, Issei Komuro, Kinya Otsu, Shizuya Yamashita, Yoshihiro Asano; Kitamura Hospital: Asuka Yoshida; Sensoji Hospital: Katsuya Kajimoto; Osaka Police Hospital: Kazunori Kashiwase, Yasunori Ueda; Komaki City Hospital: Taizo Kondo, Katsuhiro Kawaguchi, Akinori

Sawamura; Fukuoka Wajiro Hospital: Taro Saito, Toru Higa, Hiroo Noguchi, Yoko Yanagita, Keita

Nakamura, Tomo Komaki; Saitama Medical University International Medical Center: Toshihiro

Muramatsu, Tomomi Koizumi, Yoshie Nakajima, Toshihiko Kikutani, Yoshifumi Ikeda, Toru Tamaki,

Shuhei Funada, Harumi Ogawa; Saiseikai Nagasaki Hospital: Koichiro Sakuragawa; Keio University

School of Medicine: Shun Kohsaka; Saiseikai Futsukaichi Hospital: Shin-ichi Ando, Toshiaki

Kadokami, Eiko Ishida, Katsumi Ide; Sakurabashi Watanabe Hospital: Yohei Sotomi, Yoshiharu

Higuchi, Motoko Uehara; Nagoya City University Graduate School of Medical Sciences: Toshihiko

Goto, Nobuyuki Ohte; Tohoku University Hospital: Masanobu Miura, Nobuyuki Shiba, Kotaro

Nochioka, Hiroaki Shimokawa; Nippon Steel Yawata Memorial Hospital: Shiro Ishihara, Tokushi

Koga, Shinichiro Fujishima, Shigeru Kaseda, Yoshie Haga; St. Marianna University School of

Medicine Hospital: Keisuke Kida; Tokyo Women's Medical University Yachiyo Medical Center:

Kazuho Kamisihima; Okinawa Prefectural Nannbu Medical Center & Children's Medical Center:

Makiko Nakamura, Osahiko Sunagawa, Takafumi Miyara, Youji Taba, Takashi Touma, Osamu Shinjo;

Jichi Medical University: Yoshioki Nishimura, Kazuomi Kario, Hayato Shimizu; Nippon Medical

School Musashi Kosugi Hospital: Takahiro Uchida, Ken-ichi Amitani, Naoki Sato.
