

### Appendix 6 - Calculation of ejection fraction effect size [posted as supplied by author]

Trial	Location of data	How effect size was calculated
t01	t01r1 Table IV	Change in active group minus change in control group
t02	t02r6 Table 2	Change in active group minus change in control group
t03	t03r1 Table 3	Change in active group minus change in control group
t04	t04r1 Page 1753	Change in active group minus change in control group
t05	t05r3 Table 2	Change in active group minus change in control group
t06	t06r3 Table 2	Change in active group minus change in control group
t07	t07r1 Page 58	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t08	t08r2 Tabelle 2	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t09	t09r3 Abstract	Change in active group minus change in control group
t10	t10r1 Table 2	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t11	t11r1 Table 3 and Table 4	Change in active group minus change in control group
t12	t12r2 Table 2	Change in active group minus change in control group
t13	t13r2 Page 1722	Change in active group minus change in control group
t14	t14r1 Table II	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t15	t15r3 Page 1225	Change in active group minus change in control group
t16	t16r5 Abstract	Change in active group minus change in control group
t17	t17r4 Abstract	Change in active group minus change in control group
t18	t18r1 Table 3	Change in active group minus change in control group
t19	t19r2 Abstract	Change in active group minus change in control group
t20	t20r1 Table II	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t21	t21r5 Table 3	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t22	t22r1 Table 2	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t23	t23r1 Table 4 and Abstract	Directly stated
t24	t24r1 Table 4	Change in active group minus change in control group
t25	t25r2 Table 2	Change in active group minus change in control group
t26	t26r1 Table 2	Change in active group minus change in control group
t27	t27r1 Abstract, Table 1 and Figure 2	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t28	t28r3 Table II and Table V	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t29	t29r1 Supplemental Table 2	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group), using individual patient values
t30	t30r1 Table 2	Change in active group minus change in control group

t31	t31r1 Table 3	Change in active group minus change in control group
t32	t32r1 Table III	Change in active group minus change in control group
t33	t33r1 Table 2	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t34	t34r3 Table 2	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group) (Follow-up minus baseline in active group) minus (follow-up minus baseline in control group), using individual patient values
t35	t35r1 Table 2 and Table 3	
t36	t36r1 Figure 2	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t37	t37r1 Table 1 and Page 2373	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t38	t38r1 Table 2	Directly stated
t39	t39r1 Table 3	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t40	t40r2 Table 2 and Table 3	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t41	t41r4 Table 1	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t42	t42r1 Table 2	Directly stated
t43	t43r1 Table 4	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t44	t44r1 Abstract	(Follow-up minus baseline in active group) minus (follow-up minus baseline in control group)
t45	t45r1 Abstract	Directly stated
t46	t46r1 Abstract	Change in active group minus change in control group
t47	t47r1 Table 4	Directly stated
t48	t48r1 Abstract	Change in active group minus change in control group
t49	t49r3 Table 2	Change in active group minus change in control group
