Subject: ELTR Study Proposal

Monday 20th June, 2011

Dear Robert,

With reference to your e-mail dated 2nd January 2011 proposing a study based on ELTR database on the outcome after liver transplantation for cholangiocarcinoma (CCA) we are very pleased to send official confirmation that we accept this interesting project and that you may therefore make use of the ELTR data.

Best Regards,

Paolo Muiesan
