

A

U1 snRNA isoforms

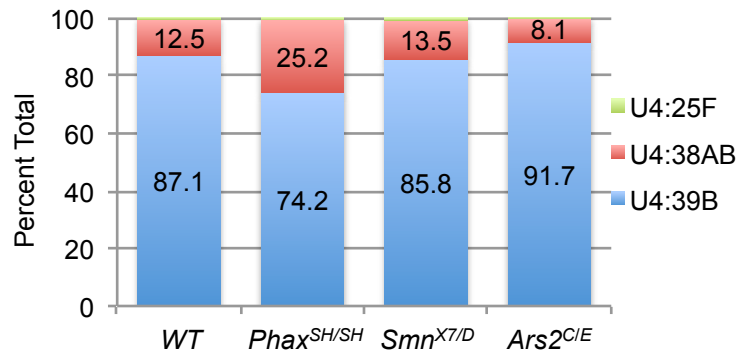

B

U2 snRNA isoforms

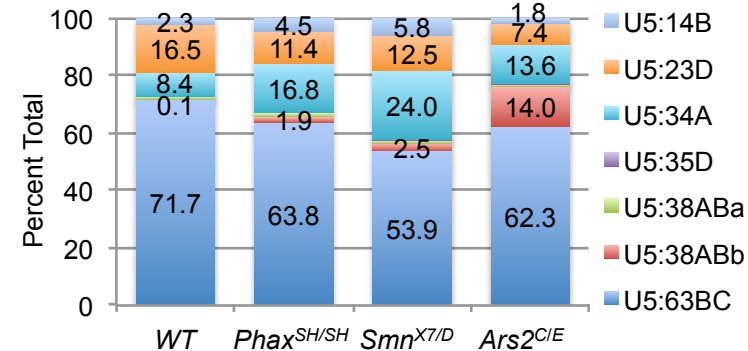

C

U4 snRNA isoforms

D

U5 snRNA isoforms

Supplemental Figure S3. Relative abundance of snRNA isoforms in snRNP biogenesis mutants: (A) U1 snRNA paralogs; (B) U2 snRNA paralogs; (C) U4 snRNA paralogs; and (D) U5 snRNA paralogs. Identical isoforms are listed together.
