Value

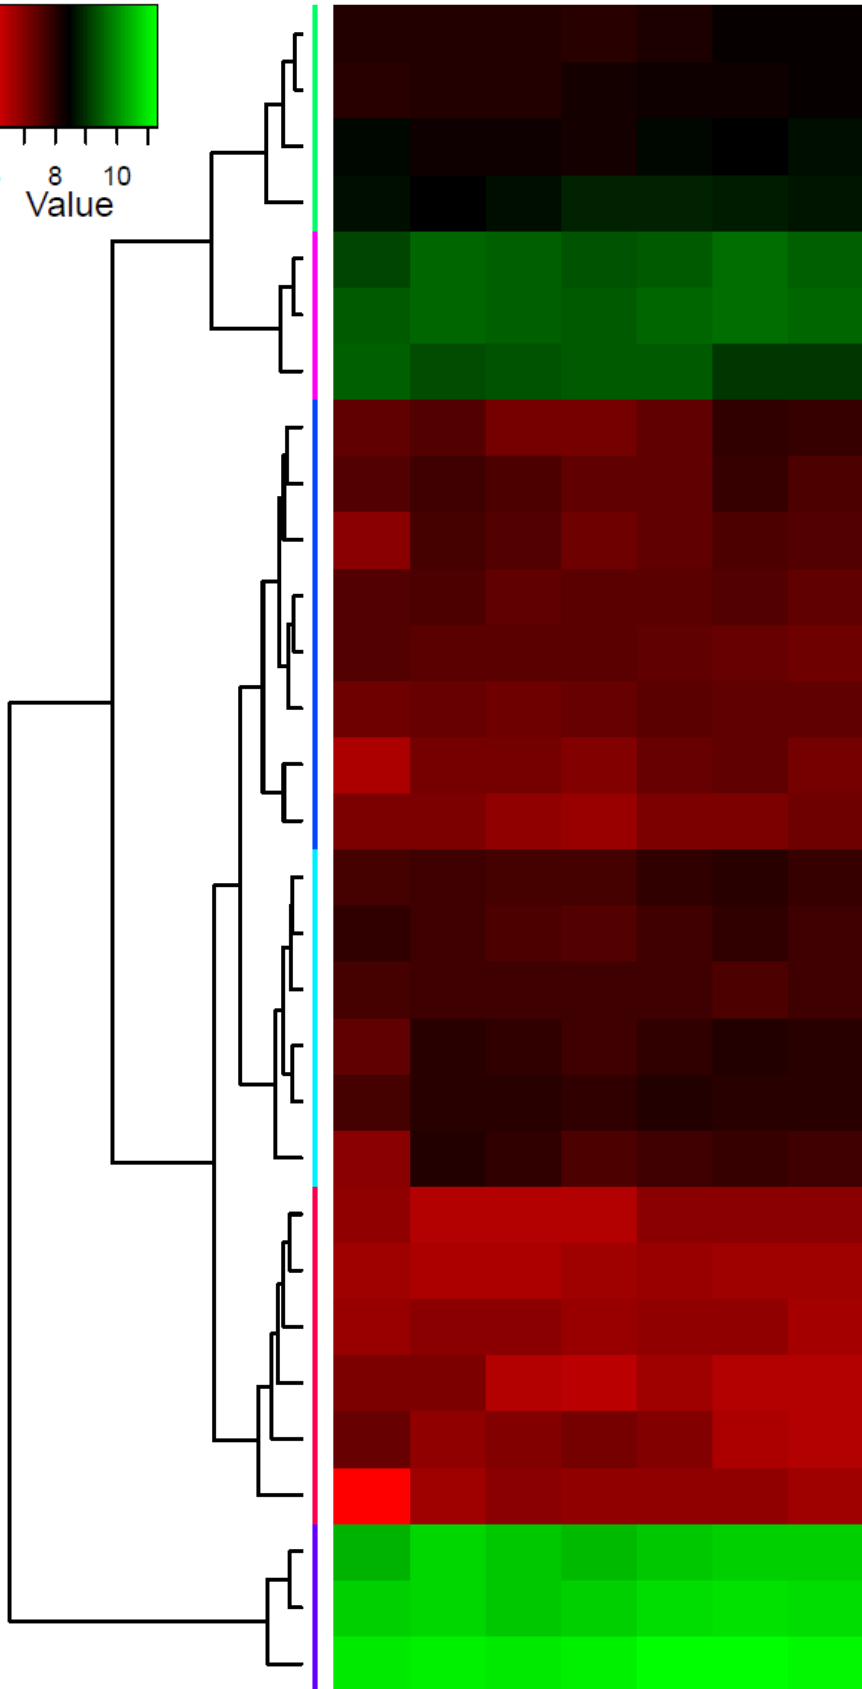

B

Color Key

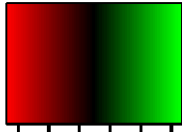

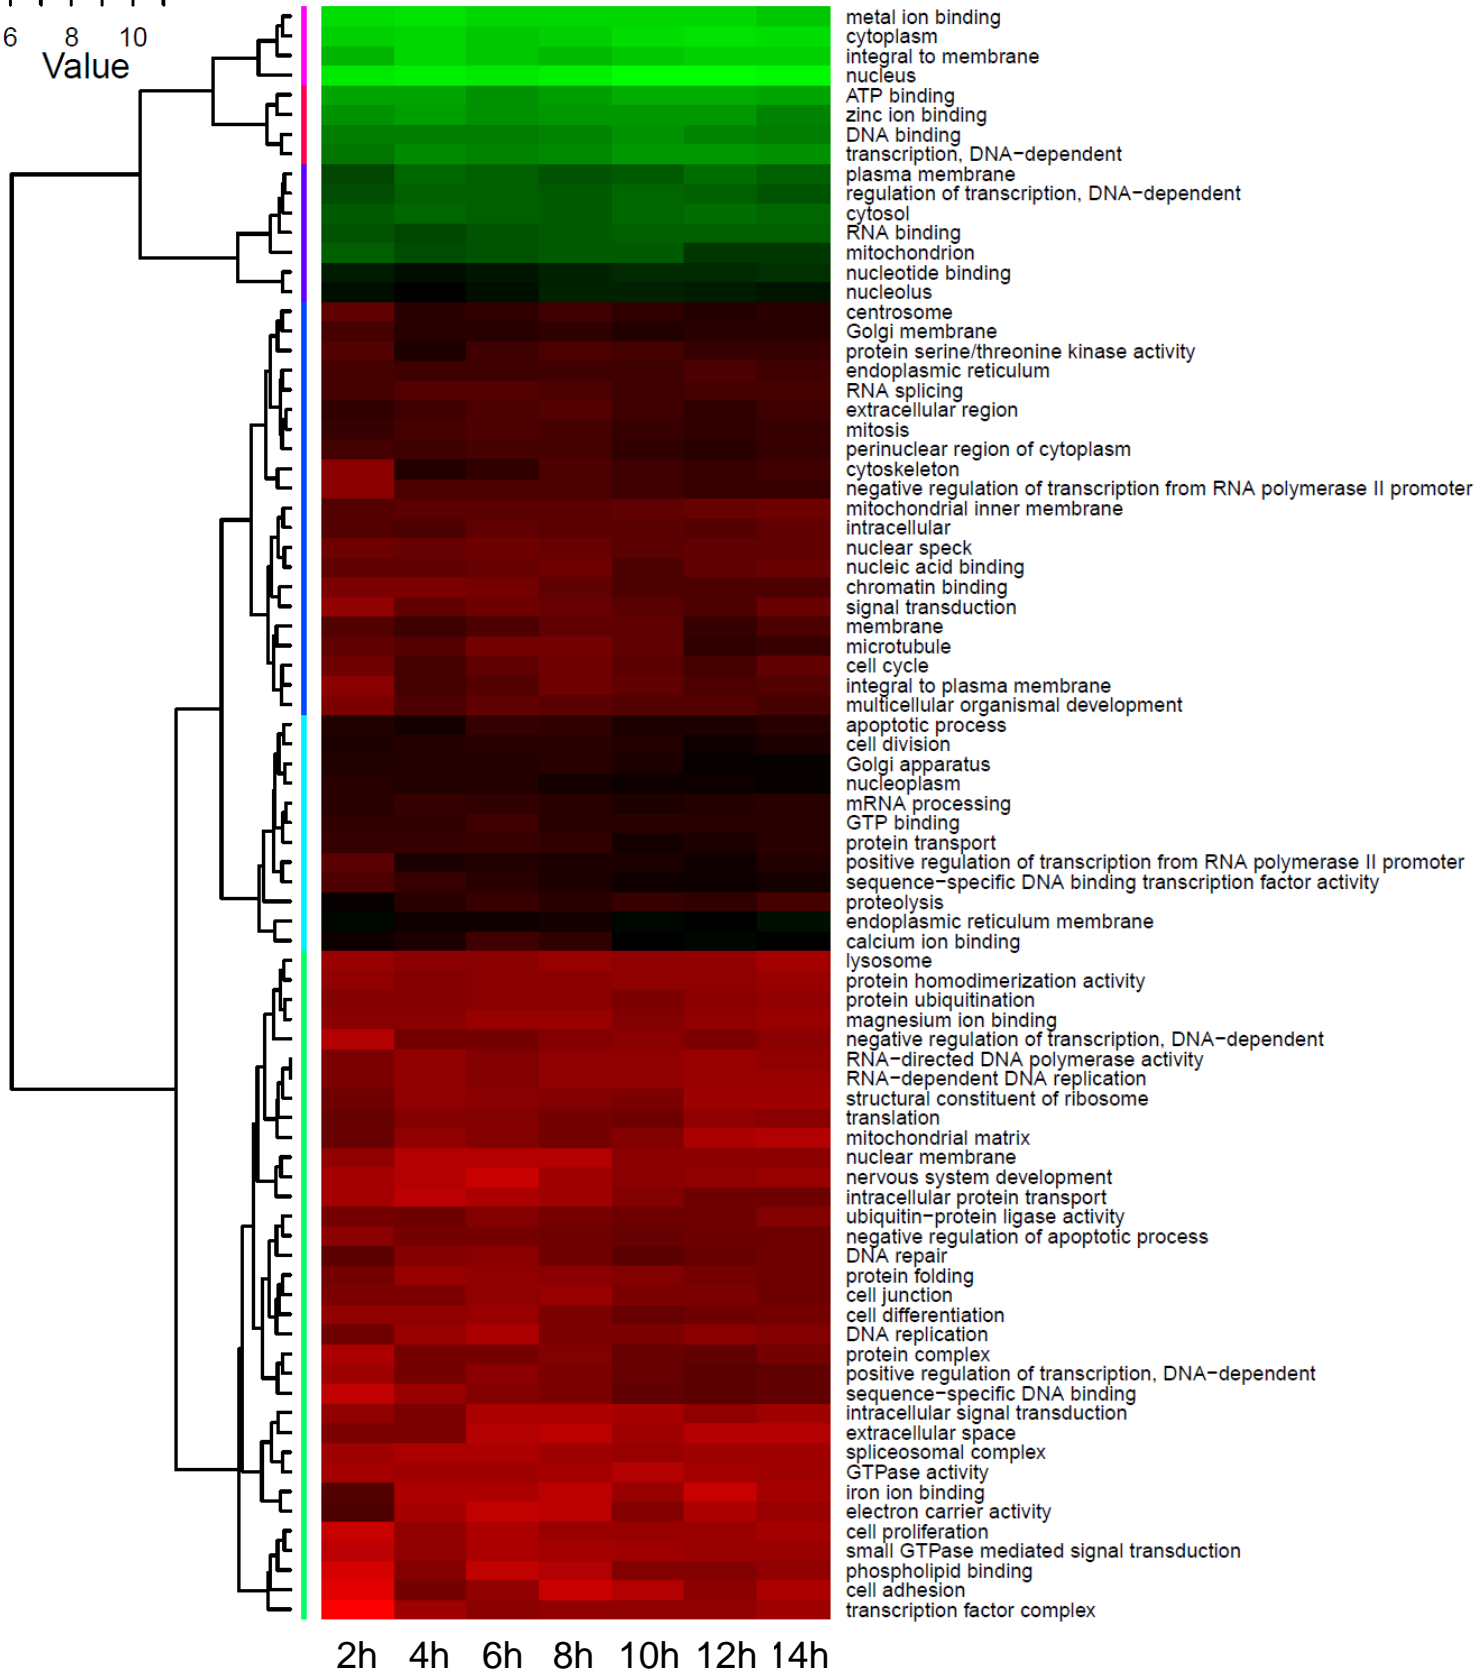

6 8 10
Value

Golgi apparatus
nucleoplasm
endoplasmic reticulum membrane
nucleolus
plasma membrane
cytosol
mitochondrion
microtubule
membrane
integral to plasma membrane
intracellular
mitochondrial inner membrane
nuclear speck
protein complex
cell junction
perinuclear region of cytoplasm
extracellular region
endoplasmic reticulum
centrosome
Golgi membrane
cytoskeleton
nuclear membrane
spliceosomal complex
lysosome
extracellular space
mitochondrial matrix
transcription factor complex
integral to membrane
cytoplasm
nucleus
