Hi

I write here to confirm that I am happy with my name cited in acknowledgements for assisting in setting up of RT-PCR, for the manuscript in reference:

CIRCRES/2016/308445R2: Anti-inflammatory effects of metformin irrespective of diabetes status.

Please let me know if you need any further information.

Many thanks & kind regards

Ritu

Dear Ritu and Andy

Our recently submitted manuscript to Circulation Research is on the cusp of being accepted. Prior to this acceptance the journal has requested that anyone we have acknowledged by name must cite their permission to be acknowledged directly to the journal. I would really appreciate if you could send an email to circulation.research@circresearch.com stating you are happy with this. The reference for the manuscript is CIRCRES/2016/308445R2: Anti-inflammatory effects of metformin irrespective of diabetes status. You have been acknowledged as follows: In addition, Dr Andy Cassidy and Dr Ritu Sharma (both Dundee) assisted set-up of RT-PCR.

Thanks.

Amy
