

a**b****MUCL1 - Entrez ID: 118430****Supplemental Figure 1**

a) MUCL1 RNA expression was assessed across 147 normal human body tissues using the NextBio Body Atlas application. The ten highest expressing tissues are shown here. b) An assessment of MUCL1 RNA expression was performed across 1,036 cancer cell lines in the Broad-Novartis Cancer Cell Line Encyclopedia (CCLE). The number of cell lines included in each cancer type is listed.
