

S2 Table

GO Biological Process (Salmon Module)	FDR
response to bacterium	1.54E-07
disruption of cells of other organism	1.54E-07
defense response to bacterium	1.98E-07
killing of cells of other organism	1.98E-07
response to other organism	6.39E-06
response to biotic stimulus	7.61E-06
defense response to fungus	7.61E-06
modification of morphology or physiology of other organism	1.93E-05
cell killing	2.52E-05
defense response	4.00E-05
