

Circular RNA has_circ_0067934 is upregulated in esophageal squamous cell carcinoma and promoted proliferation

Wenjia Xia , Mantang Qiu, Rui Chen, Siwei Wang, Xuechun Leng, Jie Wang , Youtao Xu, Jingwen Hu, Gaochao Dong, Lin Xu and Rong Yin.

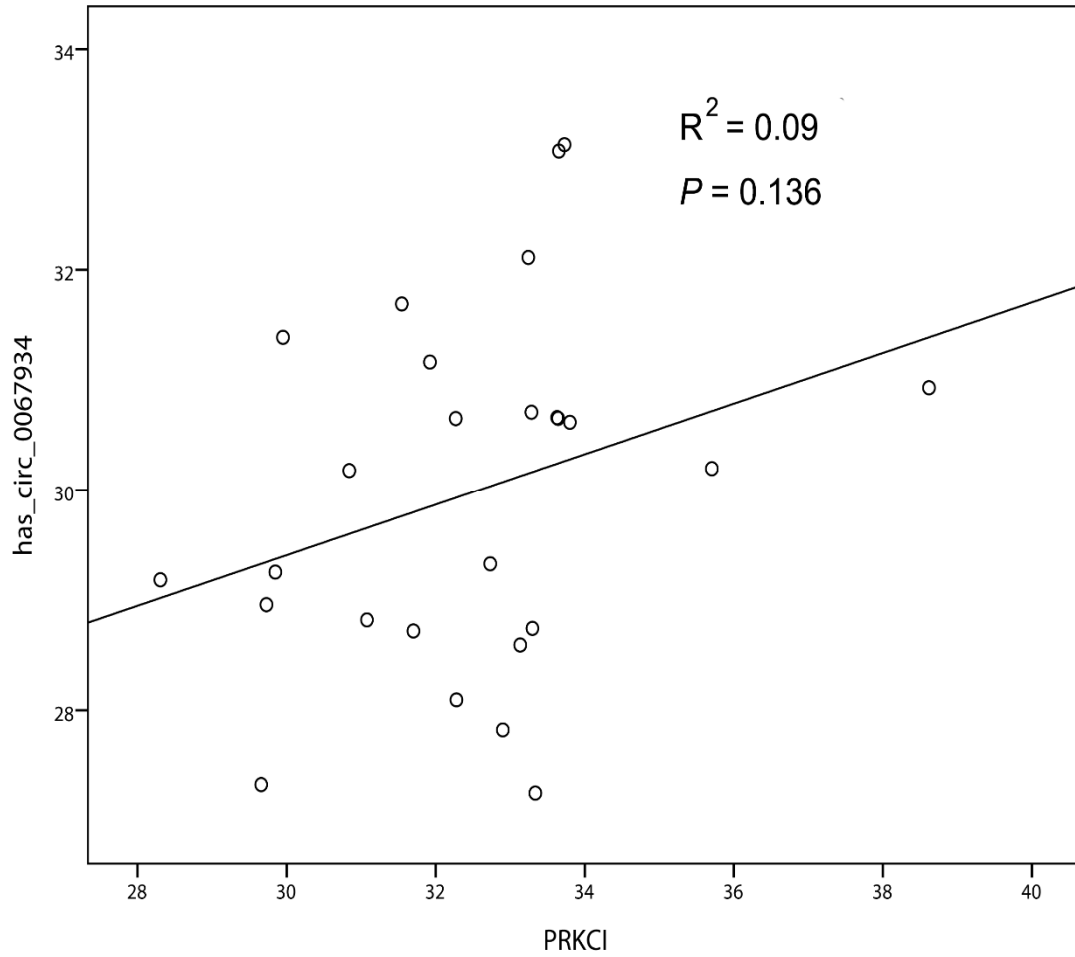

Supplementary figure 1:

The figure was provided to indicate the site of splice junction, PCR primers, and FISH probes.

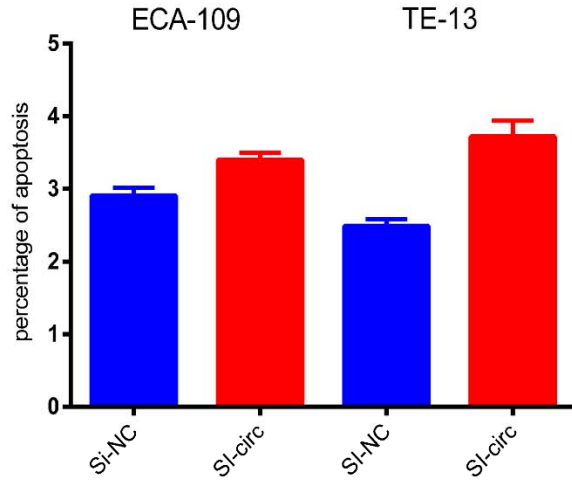

Supplementary figure 2:

The expression of hsa_circ_0067934 and PRKCI by qRT-PCR in a cohort of 26 samples, and the results showed that there was no significant correlation between hsa_circ_0067934 and PRKCI

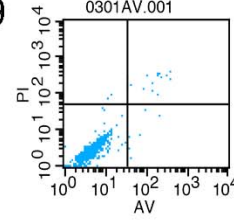

Supplementary file 3:

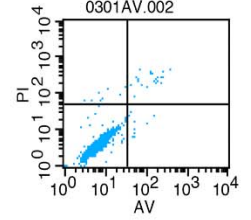

Flow cytometric analyses indicate that si-hsa_circ_0067934 did not affect cells apoptosis.
