**1. What is your name?**

**2. What is your profession?**

**3. What is your age?**

**4. What is your gender?**

**5. Do you perform Robot assisted laparoscopic procedures?**

Yes/No

**6. Did you perform Robot assisted laparoscopic procedures in the past?**

Yes/No

**7. When did you start with Robot assisted laparoscopy?**

**8. Number of robot-assisted procedures performed**

**9. How many Robot assisted procedures do you perform a month?**

  □  0-5 procedures

  □  5-10 procedures

  □  10-15 procedures

  □  15-20 procedures

  □  20-25 procedures

  □  25-30 procedures

  □  30-35 procedures

  □  >35 procedures

**10. Do you have conventional laparoscopic experience?**

Yes/No

**11. Number of conventional laparoscopic procedures performed?**

**12. How where you trained in robotic surgery?**

☐By intuitive surgical with a proctor

☐By my supervisor (master-apprentice learning)

☐Fellowship

☐Different …..

**13. What kind of robot training did you perform and how much time did you spend on the different parts?**

| | <5 h | 5-10 h | 10-20 h | 20-30 h | 30-40 h | 40-50 h | > 50 h |
|---|---|---|---|---|---|---|---|
| Knowledge training | | | | | | | |
| Video observations | | | | | | | |
| Live observations | | | | | | | |
| Table assisting | | | | | | | |
| Basic skills training | | | | | | | |
| Animal or cadaver training | | | | | | | |
| Team training | | | | | | | |

**14. Did you take an exam before you started patient related work on the Da Vinci Robot?**

☐Yes, knowledge exam

☐Yes, Skills exam

☐Yes, knowledge and skills

☐No

**15. During how many procedures were you supervised (proctored)?**

**16. Did you use a duo console?**

Yes/No

**17. Do you personally teach robot assisted laparoscopy?**

(more answers possible)

☐Yes, to colleagues

☐Yes to residents

☐Yes, to fellows

☐Yes as intuitive proctor

☐No

**18. How do you teach robot assisted laparoscopy?**

 (more answers possible)

☐  Master apprentice without duo console

☐  Master apprentice with duo console

☐  Intuitive surgical training program

☐   Self initiated training program

☐   Different, ….

**19. Do you agree on setting a structured and obliged training program for basic robotic skills?**

Yes/No/No opinion

**20. Do you think an exam or test should be installed before starting robot-assisted surgery**

Yes/No/No opinion

**21. Do you have any other comment?**
