

Identification of tumorigenesis-related mRNAs associated with RNA-binding protein HuR in thyroid cancer cells

SUPPLEMENTARY TABLES

Supplementary Table S1: Nthy-ori-3.1 genes modified by HuR silencing.

See Supplementary File 1

Supplementary Table S2: BCPAP genes modified by HuR silencing.

See Supplementary File 2

Supplementary Table S3: Nthy-ori-3.1 and BCPAP common HuR interaction target RNA.

See Supplementary File 3

Supplementary Table S5: BCPAP specific HuR interaction target RNA.

See Supplementary File 4

Supplementary Table S4: Nthy-ori-3.1 specific HuR interaction target RNA.

See Supplementary File 5

Supplementary Table S6: Tumor specific HuR interaction target RNA.

See Supplementary File 6
