

The clock gene *PER1* plays an important role in regulating the clock gene network in human oral squamous cell carcinoma cells

SUPPLEMENTARY FIGURE AND TABLE

Supplementary Figure S1: DNA sequencing results of lentivirus *PER1*-shRNA plasmids. A. *PER1*-shRNA-I; B. *PER1*-shRNA-II; C. *PER1*-shRNA-III.

Supplementary Table S1: Sequences of PER1-shRNA interference

| Group | Sense strand |
|----------------|---|
| PER1-shRNA-I | 5'-CCGGCAGCACCACCTAAGCGTAAATGCTCGAGCATTACGCTTAGTGGTGCTGTTTTTG-3' |
| PER1-shRNA-II | 5'-CCGGCCAGCACCACCTAAGCGTAAATCTCGAGATTTACGCTTAGTGGTGCTGGTTTTTG-3' |
| PER1-shRNA-III | 5'-CCGGCCATGGACATGTCCACCTATACTCGAGTATAGGTGGACATGTCCATGGTTTTTG-3' |
