

MMP2 (ng/ml)

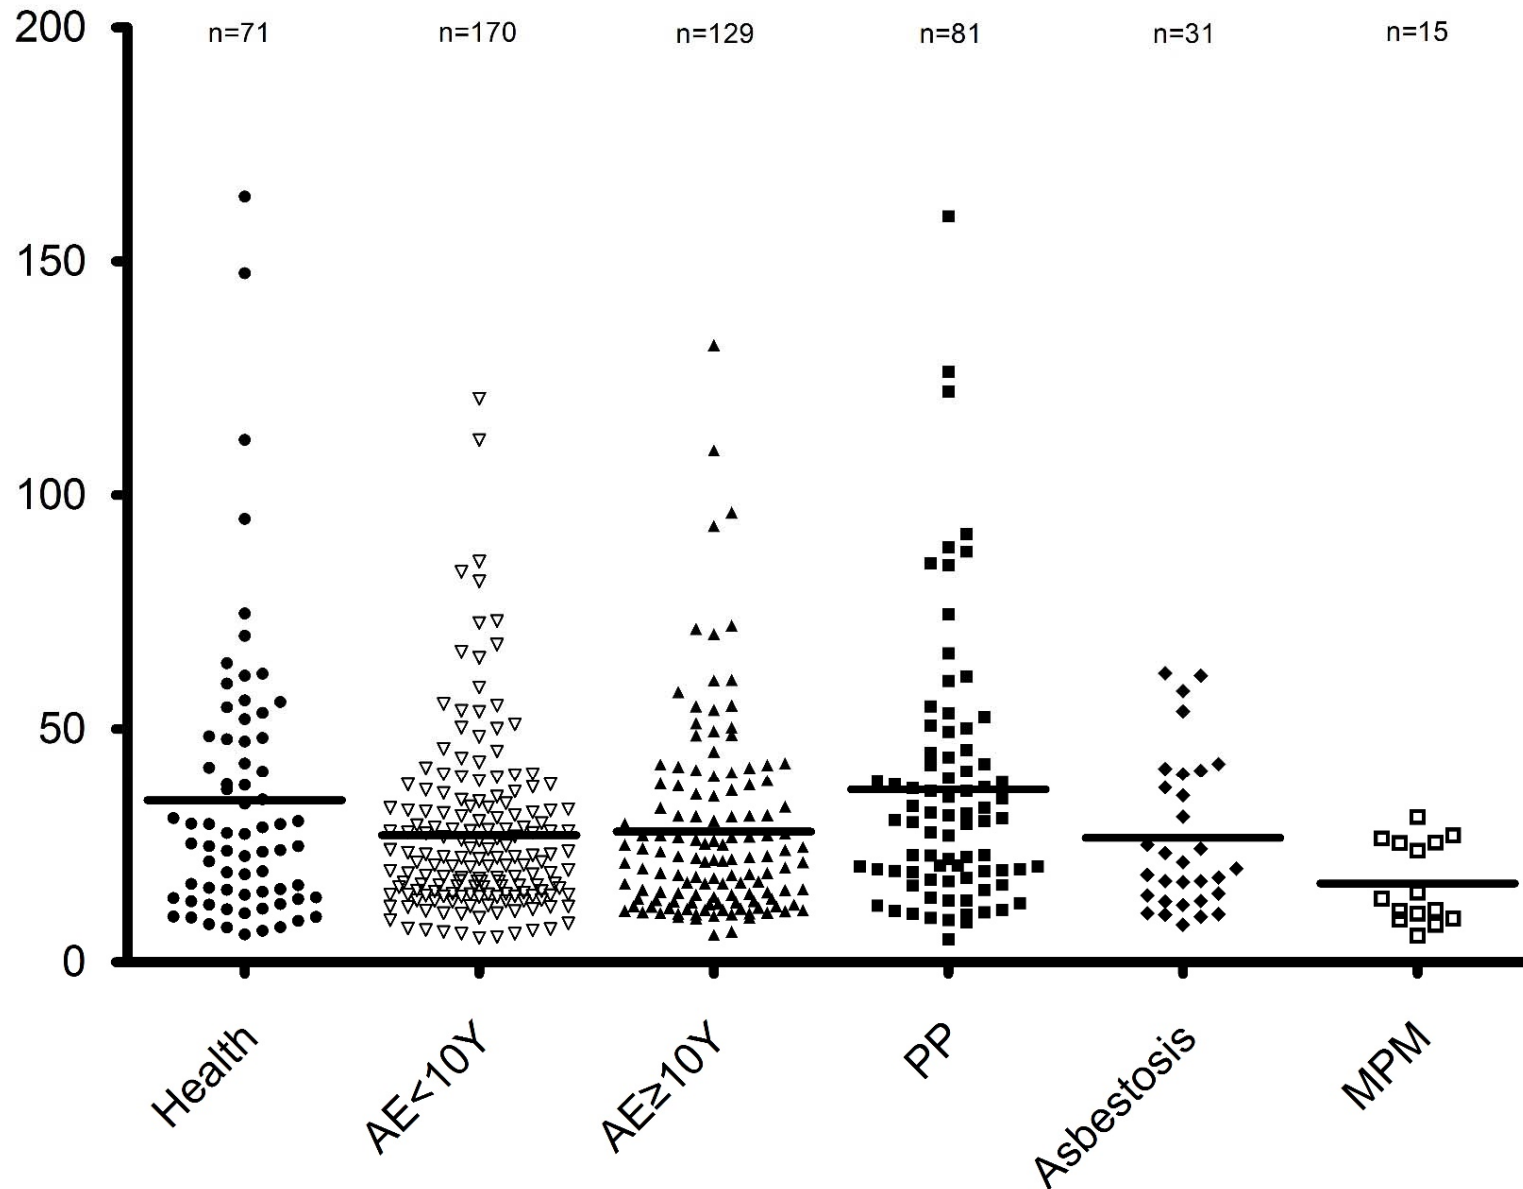

Figure S1. MMP2 levels in serum from individuals with pleural plaques (PP), asbestosis, MPM, exposed to asbestos and healthy controls. ELISAs shown were performed in parallel and blindly. Bars show the median of MMP2 levels.

MMP9 (ng/ml)

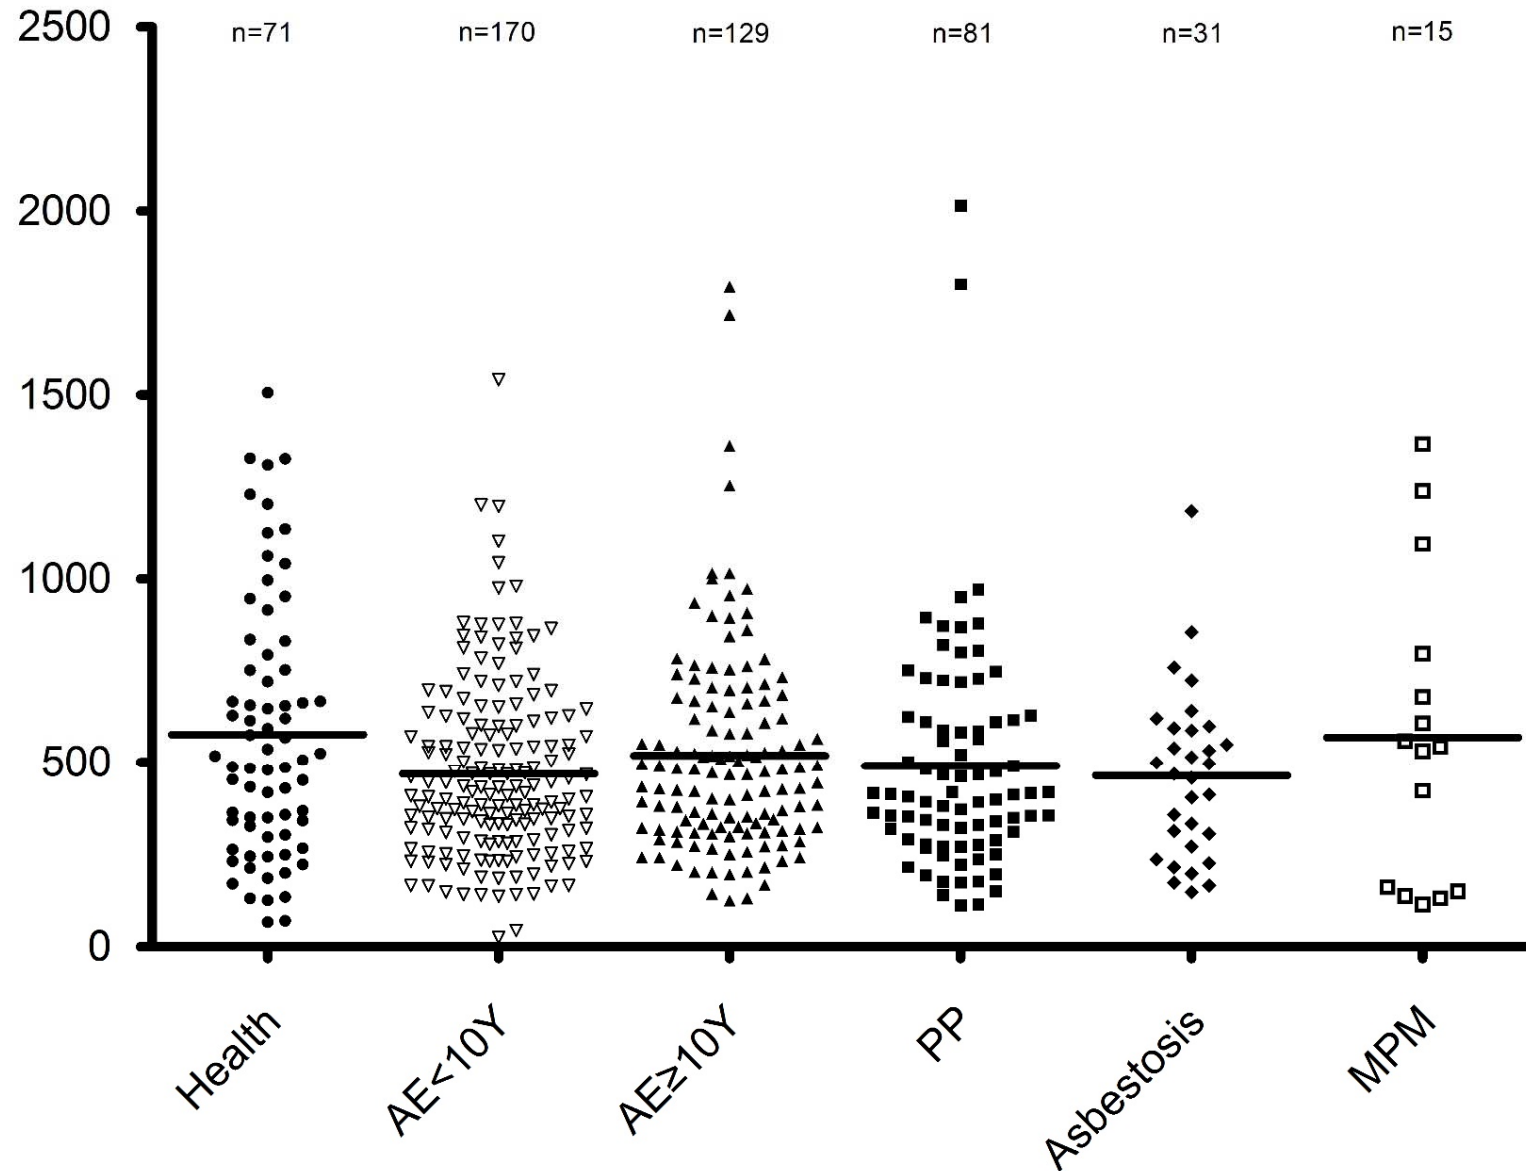

Figure S2. MMP9 levels in serum from individuals with pleural plaques (PP), asbestosis, MPM, exposed to asbestos and healthy controls. ELISAs shown were performed in parallel and blindly. Bars show the median of MMP9 levels.
