There are four files in our supplementary materials.

- Questions used in the screener survey
- Questions used in the first follow-up survey for they physical activity domain
- Questions used in the second follow-up survey for they physical activity domain
- Participant demographic information from our two follow-up surveys

The questions used in the follow-up surveys were identical in the location and finance domains, swapping out specific wording as appropriate.

All files are PDFs and can be opened with a standard PDF reader (e.g. Adobe PDF, Preview).
