

## Reviewer Report

**Title:** "Genome sequence of pacific abalone (*Haliotis discus hannai*): the first draft genome in family Haliotidae."

**Version:** Original Submission    **Date:** 1/13/2017

**Reviewer name:** Noriyuki Satoh

### Reviewer Comments to Author:

The manuscript is well written, I could not find any problems in it.

Since abalone genome is important in East-Asia fishery, I recommend the publication of this ms as it is, if there is no editorial problem.

### Level of Interest

Please indicate how interesting you found the manuscript: An article of importance in its field

### Quality of Written English

Please indicate the quality of language in the manuscript: Acceptable

### Declaration of Competing Interests

Please complete a declaration of competing interests, considering the following questions:

- Have you in the past five years received reimbursements, fees, funding, or salary from an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
- Do you hold any stocks or shares in an organisation that may in any way gain or lose financially from the publication of this manuscript, either now or in the future?
- Do you hold or are you currently applying for any patents relating to the content of the manuscript?
- Have you received reimbursements, fees, funding, or salary from an organization that holds or has applied for patents relating to the content of the manuscript?
- Do you have any other financial competing interests?
- Do you have any non-financial competing interests in relation to this paper?

If you can answer no to all of the above, write 'I declare that I have no competing interests' below. If your reply is yes to any, please give details below.

I declare that I have no competing interests
