

Figure S1

Figure S1 Amplification of MR766 ZIKV in Vero and BHK Cells, Related to Figure
(A) Immunohistochemical staining for ZIKV expression in Vero and BHK cells. (B) RT-qPCR analysis of Vero, BHK, microglia, BJ, 293T, and THP-1 cell supernatants. (C-E) RT-qPCR analysis of innate immune response genes *TLR3*, *IRF3*, *APOBEC* in microglia, BJ and THP-1 derived macrophages, respectively.
