

**Supplementary Table 4. *N. sennetsu*-specific proteins compared to *N. helminthoeca* and *N. risticii*** <sup>1</sup>

Locus_ID	Protein Name	Protein Length	Main Role	Sub Role
NSE_RS00095	hypothetical protein	85	Unknown function	General
NSE_RS00100	hypothetical protein	92	Unknown function	General
NSE_RS00120	hypothetical protein	69	Unknown function	General
NSE_RS00325	hypothetical protein	72	Unknown function	General
NSE_RS00330	hypothetical protein	118	Unknown function	General
NSE_RS00370	hypothetical protein	180	Unknown function	General
NSE_RS00425	hypothetical protein	79	Unknown function	General
NSE_RS00545	hypothetical protein	59	Unknown function	General
NSE_RS00565	hypothetical protein	335	Unknown function	General
NSE_RS00575	hypothetical protein	72	Unknown function	General
NSE_RS00720	hypothetical protein	70	Unknown function	General
NSE_RS01695	hypothetical protein	59	Unknown function	General
NSE_RS01705	hypothetical protein	62	Unknown function	General
NSE_RS01715	hypothetical protein	132	Unknown function	General
NSE_RS01960	hypothetical protein	59	Unknown function	General
NSE_RS02045	hypothetical protein	83	Unknown function	General
NSE_RS03065	hypothetical protein	64	Unknown function	General
NSE_RS03225	hypothetical protein	62	Unknown function	General
NSE_RS03270	hypothetical protein	69	Unknown function	General
NSE_RS03305	hypothetical protein	77	Unknown function	General
NSE_RS03385	hypothetical protein	68	Unknown function	General
NSE_RS03710	hypothetical protein	61	Unknown function	General
NSE_RS03795	hypothetical protein	100	Unknown function	General

<sup>1</sup> *N. sennetsu*-specific proteins were identified by comparison with *N. helminthoeca* and *N. risticii* protein databases using BLASTP algorithm with E-value < 1e<sup>-10</sup>.
