

Additional file 1 – List of Poaceae species with available plastid sequences used in phylogenetic analyses in this study, their respective tribes, and NCBI accession codes.

| <b>Species</b>                 | <b>Tribe</b>   | <b>NCBI accession code</b> |
|--------------------------------|----------------|----------------------------|
| <i>Puelia olyriformis</i>      | Puelioideae    | NC_023449                  |
| <i>Rhynchospora subulata</i>   | Ehrhartoideae  | NC_016718                  |
| <i>Leersia tisserantii</i>     | Ehrhartoideae  | NC_016677                  |
| <i>Oryza sativa</i>            | Ehrhartoideae  | NC_001320                  |
| <i>Phyllostachys edulis</i>    | Bambusoideae   | NC_015817                  |
| <i>Bambusa emelensis</i>       | Bambusoideae   | NC_015830                  |
| <i>Olyra latifolia</i>         | Bambusoideae   | NC_024165                  |
| <i>Brachypodium distachyon</i> | Pooideae       | NC_011032                  |
| <i>Hordeum vulgare</i>         | Pooideae       | NC_008590                  |
| <i>Triticum aestivum</i>       | Pooideae       | NC_002762                  |
| <i>Agrostis stolonifera</i>    | Pooideae       | NC_008591                  |
| <i>Festuca arundinacea</i>     | Pooideae       | NC_011713                  |
| <i>Lolium perenne</i>          | Pooideae       | NC_009950                  |
| <i>Aristida purpurea</i>       | Aristidoideae  | NC_025228                  |
| <i>Danthonia californica</i>   | Danthonioideae | NC_025232                  |
| <i>Neyraudia reynaudiana</i>   | Chloridoideae  | NC_024262                  |
| <i>Eriachne stipacea</i>       | Micraidoideae  | NC_025234                  |
| <i>Phragmites australis</i>    | Arundinoideae  | NC_022958                  |
| <i>Centotheca lappacea</i>     | Panicoideae    | NC_025229                  |
| <i>Sorghum bicolor</i>         | Panicoideae    | NC_008602                  |
| <i>Zea mays</i>                | Panicoideae    | NC_001666                  |
| <i>Digitaria exilis</i>        | Panicoideae    | NC_024176                  |
| <i>Echinochloa oryzicola</i>   | Panicoideae    | NC_024643                  |
| <i>Panicum virgatum</i>        | Panicoideae    | NC_015990                  |
| <i>Cenchrus americanus</i>     | Panicoideae    | NC_024171                  |
| <i>Setaria italica</i>         | Panicoideae    | NC_022850                  |
| <i>Urochloa humidicola</i>     | Panicoideae    | NC_030069                  |
| <i>Urochloa ruziziensis</i>    | Panicoideae    | NC_030068                  |
| <i>Urochloa decumbens</i>      | Panicoideae    | NC_030066                  |
| <i>Urochloa brizantha</i>      | Panicoideae    | NC_030067                  |
