

# The expression of histone deacetylase HDAC1 correlates with the progression and prognosis of gastrointestinal malignancy

## SUPPLEMENTARY MATERIALS

### SUPPLEMENTARY FIGURES

Supplementary Figure 1: Funnel plots of publication bias in the meta-analysis as shown in Figure 2.

Supplementary Figure 2: Funnel plots of publication bias in the meta-analysis of HDAC1 expression and tumor stage.

Supplementary Figure 3: Funnel plots of publication bias in the meta-analysis of HDAC1 expression and tumor grade.

Supplementary Figure 4: Funnel plots of publication bias in the meta-analysis of HDAC1 expression and lymph node metastasis.

Supplementary Figure 5: Funnel plots of publication bias in the meta-analysis of HDAC1 expression and distant metastasis.

Supplementary Figure 6: Funnel plots of publication bias in the meta-analysis of HDAC1 expression and OS as shown in Figure 8.
