

Delphi Exercise Round 3: Neurological and neuromuscular Experts

The following answers of the participants have been assigned to the ICF categories.

Do you agree that this ICF category represents pediatric patients' problems to be treated with aquatic therapy?

Code and Name ICF Category	Your answers. Find a number, if you named the corresponding ICF category in Round 1, with the n° of times you did it.	This % of participants named these ICF categories as relevant to be treated with Aquatic Therapy in pediatric patients in the second round of Delphi.	YES/NO
b1 CHAPTER 1 MENTAL FUNCTIONS			
b110 Consciousness functions		65,63	
b114 Orientation functions	1	81,25	
b1140 Orientation to time		65,63
