The license administrator for this Agreement is the Copyright Clearance Center (CCC).

2) Introduction

The publisher of this copyrighted material is ASN. By clicking "accept" in connection with completing this licensing transaction, you agree that the following terms and conditions apply to this transaction (along with the Billing and Payment terms and conditions established by CCC, at the time that you opened your **RightsLink** account and that are available at any time at <http://myaccount.copyright.com>.

3) ASN occasionally publishes material for which it does not hold copyright; in such instances, ASN identifies and properly cites the appropriate copyright holder. It is the Customer's responsibility to verify that ASN holds copyright for which the Customer is requesting permission. If the material is credited to another source, then ASN does not have the authority to grant permission for its reuse and this license is to be considered invalid.

4) Limited License

ASN hereby grants to you a non-exclusive license to use this material. Licenses are for one-time use only with a maximum distribution equal to the number that you identified in the licensing process. Except when material is licensed for reuse in a scholarly journal, magazine, newsletter, newspaper, book, or textbook, in which case permission extends to reprints of the product produced for publisher restocking, any form of republication must be completed within one year from the date hereof (although copies prepared before then may be distributed thereafter). Reprints must not be new products nor marketed as such: **reuse in new volumes or new editions must be licensed explicitly**. Any form of republication must be completed within one year from the date hereof (although copies prepared before then may be distributed thereafter); and any electronic posting is limited to the time specified in this request, if any. ASN asks that commercial organizations limit distribution of photocopies to within the organization requesting permission. Requests to distribute content copyrighted by ASN outside of the requesting organization should be processed as reprints or ePrints. Use of more than 50% of an article copyrighted by ASN in a single new work must be reviewed separately by ASN staff.

5) Geographic Rights

Licenses may be exercised solely in the country or countries specified by the Customer on the Quick Price or Additional Data page in **RightsLink**. However, in cases in which ASN has exclusive republication licensees in specific countries, licenses to reproduce full-text material in these countries may be revoked by ASN. In such cases, the Customer would be

referred to the license agent in the respective country or countries. For questions about whether this would apply to your order, please contact ASN at publications@nutrition.org.

6) Alterations/Modifications

Except for adaptations of tables and figures and for translations of content as described below, material may not be modified. Translations of figures, tables, and excerpts are permitted as transactions within **RightsLink**. Translations of full-text materials must be approved by ASN before the Customer can proceed with the **RightsLink** transaction. Full-text translation requests processed through CCC will be considered invalid unless the Customer enters the ASN-issued approval code for the translation. A copy of all full-text translations must be sent to ASN.

7) Reservation of Rights

ASN reserves all rights not specifically granted in the combination of (i) the license details provided by you and accepted in the course of this licensing transaction, (ii) these terms and conditions, and (iii) CCC's Billing and Payment terms and conditions.

8) License Contingent on Payment

While you may exercise the rights licensed immediately upon issuance of the license at the end of the licensing process for the transaction, provided that you have disclosed complete and accurate details of your proposed use, no license is finally effective unless and until full payment is received from you (either by ASN or by CCC) as provided in CCC's Billing and Payment terms and conditions. If full payment is not received on a timely basis, then any license preliminarily granted shall be deemed automatically revoked and shall be void as if never granted. Further, in the event that you breach any of these terms and conditions or any of CCC's Billing and Payment terms and conditions, the license is automatically revoked and shall be void as if never granted. Use of materials as described in a revoked license, as well as any use of the materials beyond the scope of an unrevoked license, may constitute copyright infringement and publisher reserves the right to take any and all action to protect its copyright in the materials.
