

Annexure 2

Feedback form for faculty members (regarding case-based learning)

Indicate your answers to the questions below by ticking (√) one response to each of the following:

SA = Strongly agree; A = Agree; N = Neutral; D = Disagree; SD = Strongly disagree

Please note that the survey is anonymous.

Serial number	Perceptions	SA	A	N	D	SD
1	Cases/scenarios will make the subject more interesting					
2	Will help in better understanding of the disease process					
3	Will help identify gaps in students' learning/knowledge					
4	Will improve the students' learning abilities					
5	Will lead to improved student-teacher interaction					
6	Will increase workload on faculty					
7	More such sessions should be added					

Case-based learning should be added in..... all topics/some topics/no topics

Case-based learning should be.....used as the primary method/used with lectures/discontinued

Problems with case-based approach.....

Suggestions for improvement

Other areas where case-based approach may be used.....
