

Gene	Gene function
sak	Staphylokinase
group_921	GNAT family acetyltransferase
group_448	pathogenicity island protein
group_1635	pathogenicity island protein
group_356	amidase
lukS-PV	lukS-PV
hlgB_2	panton-Valentine leukocidin chain F protein
poIA_2	DNA polymerase
group_697	transcriptional activator rinB-like protein
group_1289	pathogenicity island protein
blaR1	regulatory protein BlaR1
dut_1	deoxyuridine 5'-triphosphate nucleotidohydrolase
group_2413	SLT orf 129-like protein
group_171	Dimeric dUTPase
