

This survey is being carried out for Kennel Club breed registered dogs living and those that have died since 2004.

This survey currently does not include activity and companion registered dogs.

Please fill in the survey for:

- Each dog that is **registered with the Kennel Club on the Breed register** (this does not include dogs only registered on companion or activity register)
- Each dog that is **older than six months**
- Each dog that has sadly passed away **since the 31st December 2004**

To fill in the survey we recommend you have the following to hand:

- **Kennel Club Registration documentation** – including the Kennel Club registered name and number
- Any **veterinary records** for your dog(s)
- Any **records of litters** of puppies

If at any point during the survey you want to go back to the previous page, please press the 'previous' button at the bottom of the page, **do not** go back on your internet browser.
