Dear Professor Villa,

Thank you for this additional email.

Your proposed changes to our figure certainly modify the original enough so as to fall within the parameters of Fair Use. We would appreciate if you would include attribution that your new figure is modified from our publication as follows:

Modified from Figure 3.1 in MOUSTERIAN LITHIC TECHNOLOGY: An Ecological Perspective by Steven L. Kuhn. Copyright © 1995 by Princeton University Press.

Thank you for checking with us.

Best,

OGGETTO: Permission to Paola Villa e Sylvain Soriano

Dear Paola and Sylvain,

you have my permission to use in modified form various figures of artifacts published by M. Taschini in Quaternaria 1967 "Il Protopontiniano rissiano di Sedia del Diavolo e Monte delle Gioie (Roma)". The source must be cited.

Anagni, 20 settembre 2017

Il Presidente

Stefano Grimaldi
