

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: Up regulated genes with annotated functions in *C. neoformans* upon exposure to Gal-3.

File Name: Supplementary Data 2

Description: Down regulated genes with annotated functions in *C. neoformans* upon exposure to Gal-3.

File Name: Supplementary Data 3

Description: Up regulated genes with hypothetical functions in *C. neoformans* upon exposure to Gal-3.

File Name: Supplementary Data 4

Description: Down regulated genes with hypothetical functions in *C. neoformans* upon exposure to Gal-3.
