

Appendix 5 (as supplied by the authors): Longitudinal (parallel trends) plots for each outcome

Days in Acute Care

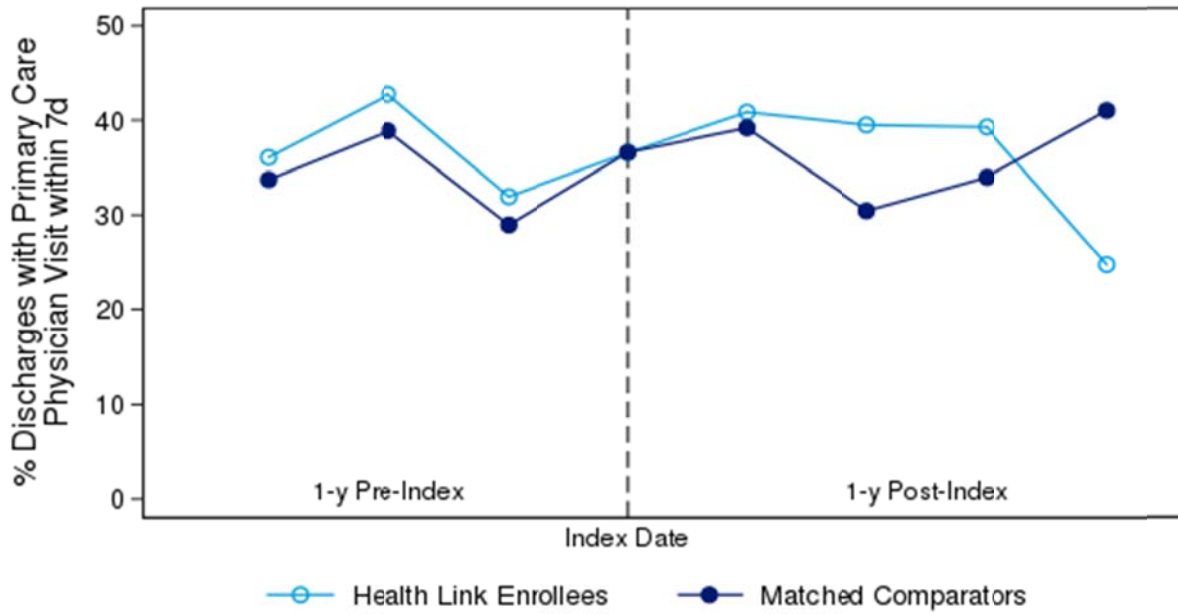

30-Day Readmissions

**Estimates reflect % of discharges with a readmission within 30-days in prior quarter, due to small number of discharges at monthly-level*

7-Day Primary Care Follow-Up

**Estimates reflect % of discharges where the patient visited a primary care physician within 7-days in prior quarter, due to small number of discharges at monthly-level*
