

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: Functional term enrichment analysis using MetaScape.

File Name: Supplementary Data 2

Description: List of qRT-PCR primers.

File Name: Supplementary Data 3

Description: List of not-so-random primers.

File Name: Supplementary Data 4

Description: : List of non-poly(A) RNAs.

File Name: Supplementary Data 5

Description: List of poly(A) RNAs.

File Name: Supplementary Data 6

Description: Mouse ribosomal RNA sequences.
