#### e-Table 1. IBS Monthly Survey Questions

1. Choose what type of survey you are here to complete:
<ul> <li>To complete a monthly survey (Jump to 7, after ACT)</li> </ul>
$_{\odot}$ To tell us about a new asthma attack or episode of worsening asthma symptoms
(Jump to 8, after ACT)
• To update us about an asthma attack or episode of worsening asthma symptoms
that you have already started a survey about (Jump to 8, after ACT)
Asthma Control Test <sup>™</sup>
Five (5) Asthma Control Test <sup>™</sup> were replicated here with permission from QualityMetric, Inc
(Lincoln, RI). Visit http://www.asthma.com/additional-resources/asthma-control-test.html
for question text and answer choices.
7. Did you experience an episode of worsening symptoms this past month?
• Yes
• No (Jump to 21)
8. Please enter the date that your episode of worsening symptoms first began:
<ul> <li>Enter the date (mm/dd/yyy):</li> </ul>
<ul> <li>I don't know</li> </ul>
9. What Zip Code were you in when this episode of worsening asthma began?
<ul> <li>I was in this Zip Code:</li> </ul>
<ul> <li>I was in another country (please enter city and country):</li> </ul>
o I don't know
10. Are you still experiencing symptoms of this episode?
• Yes (Jump to 12)
• No
11. Please enter the date that your asthma symptoms returned to normal?
<ul> <li>Enter the date (mm/dd/yyy):</li> </ul>
<ul> <li>I don't know</li> </ul>
12. Since your last survey, have you seen your regular doctor for your breathing problems?
o Yes
• <b>No</b>
13. Since your last survey, have you had an unscheduled doctor visit for your breathing
problems?
∘ Yes
o No
14. Since your last survey, have you visited a hospital emergency room because of your
breathing problems?
∘ Yes
• <b>No</b>
15. Since your last survey, have you spent a night in the hospital because of breathing
problems?
o Yes
• No (Jump to 19)

### **Section Supplement**

25. What	date did you run out of this medication?
0	Enter the date (mm/dd/yyy):
0	I don't know
26. Do yo	u think that any of the following triggers caused this episode of worsening
sympt	oms? (Check all that apply):
0	Illness (e.g. cold, flu)
0	Airborne Irritants (e.g. paint fumes, cigarette smoke, sprays, pollution)
0	Emotion (e.g. feeling angry, sad, or stressed, laughing, being excited)
0	Tobacco Smoke
0	Physical Activity (e.g. running, biking, playing sports, climbing stairs)
0	Unknown
0	Allergens (e.g. animals, pollen, feathers, dust)
0	Other:
27. Did yo	ou smoke in the days leading up to this episode of worsening symptoms?
0	Yes
0	No
28. You m	ay be eligible to participate in another visit to collect samples of your breath,
blood,	and sputum. If you are eligible, a SARP coordinator from your study site will call
you. V	Vould you be willing to come in for a SARP Asthma Attack visit?
0	Yes
0	No

e-Figure 1. Layout for worsening asthma triggers survey question.

Do you think that any of the following triggers caused this episode of worsening symptoms? (Check all that apply)

Illness (e.g. cold, flu)

Emotion (e.g. feeling angry, sad, or stressed, laughing, being excited)

Physical Activity (e.g. running, biking, playing sports, climbing stairs)

🔨 🎺

Allergens (e.g. animals, pollen, feathers, dust)

Airborne Irritants (e.g. paint fumes, cigarette smoke, sprays, pollution)

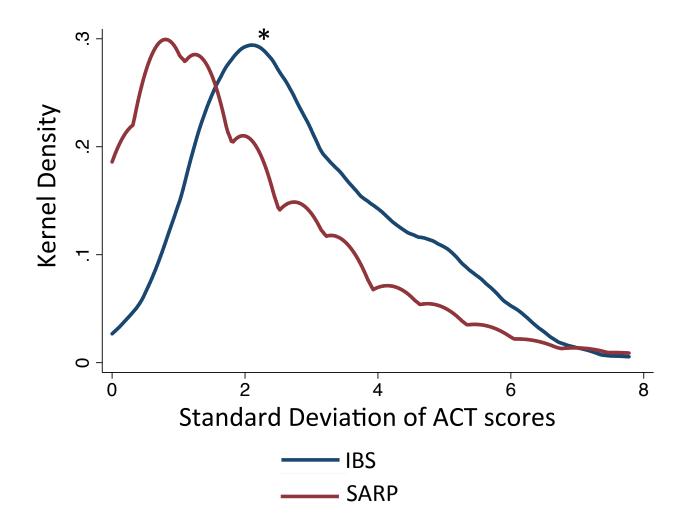

Tobacco Smoke

Other:	

### **Section** CHEST<sup>®</sup> Online Supplement

**e-Figure 2.** Kernel density plot for the standard deviation of ACT variability using the Internet Based monitoring Survey (IBS, blue line) compared to the SARP biannual ACT survey (red line). The plot shows that ACT variability measured using the IBS tool was significantly higher than the variability measured using the biannual ACT survey \* = p < 0.001
