Instructions of CLAST

Subjects were allowed 5 seconds to answer each item, and the answer was scored as either 1 (accurate answer) or 0 (false answer or failure to answer).

The assessment is administered according to the item orders without any hint.

If a subject gives a wrong answer and then makes correction on his or her own, the corrected answer will be accepted.

1. Naming:

Instructions: 《What is this?》

Responses using words synonymous with items on the test sheet are acceptable. For example, both "phone" and "telephone" are acceptable or correct answers. Responses indicating only the category a given item belongs to are not acceptable (For example: The answer "animal" is not an acceptable answer for item "giraffe".). The answers referring to a different species that belongs to the same genus with the item are not acceptable. For instance, "sika deer" is not an acceptable answer for the item "giraffe".

Items	Acceptable (True)	Not acceptable (False)
CLAST-a		
Dianhua	Dianhuaji	Shouji, yidongdianhua
Bolo	Fengli	Caomei
Gangbi	Moshuibi	Maobi, Yuanzhubi, Qianbi
Eyu	Alligator, cayman	Pangxie, Qingwa
Kuaizi		Shaozi, Chazi
CLAST-b		
Pencil		Gangbi, Huabi, Yuanzhubi
Dianshiji	Dianshi, Heibaidianshiji	Diannao
Fork		Shaozi
Changjilu		Dongwu, Meihualu
Hudie		Fei e

When an answer is unintelligible, 0 point will be awarded.

2. Repetition:

Instruction: 《Please repeat······》

Subjects are allowed to ask for repetition of a question by the examinee.

1 point will be awarded if a subject fully repeats a question or 0 point will be awarded if a subject fails to repeat the question correctly (including missing words, giving additional meaning, or using wrong word order).

3. Automatic speech:

Instruction: 《Count from 1 to 10.》

1 point is awarded if a subject 1 successfully counts the numbers) or 0 will be awarded if a subject fail to count the numbers, including omission, repetition of numbers or disarrangement of the number order)

4. Picture recognition:

Instructions: 《 Please point out······》

Any correction within 10 seconds is acceptable.

Examiner can give a second instruction if a subject fails to respond to the first instruction.

5. Verbal instructions:

Instructions:

Examiners should give the instructions strictly according to those listed in the test sheet.

1 point will be awarded if a subject correctly acts on the instructions. 0 point will be awarded if a subject fail to act on the instructions correctly or completely or in right order.

Examiner can give a second instruction if a subject fails to act on the first instruction.
