

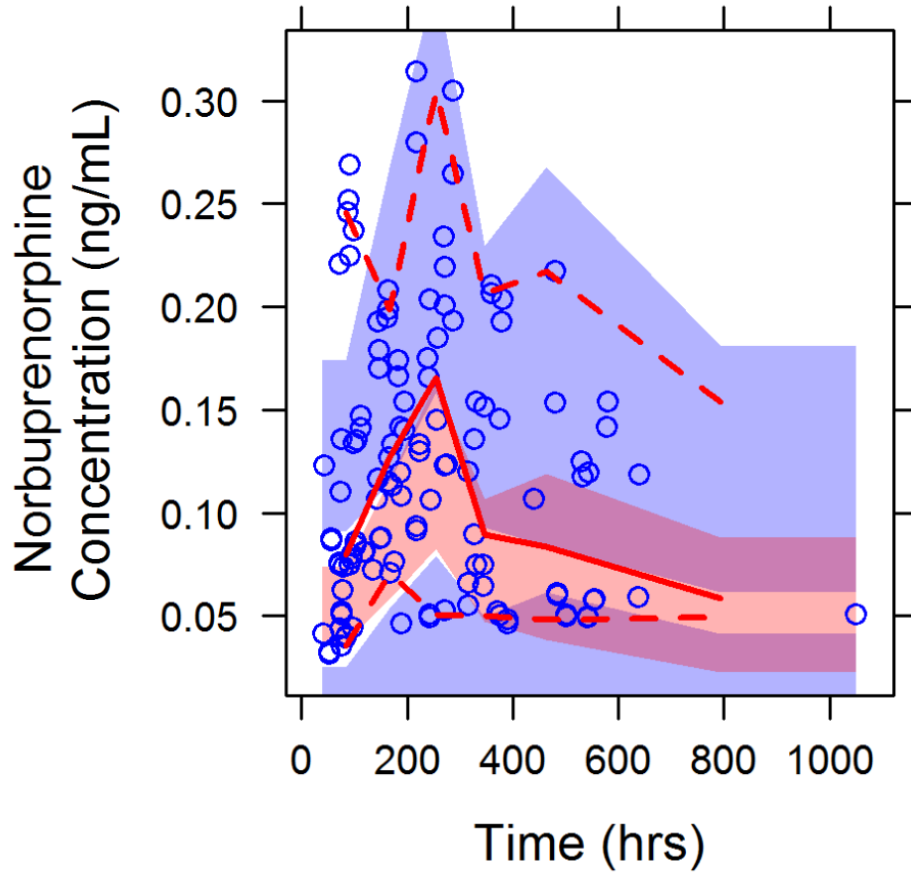

Figure S5. Serum Norbuprenorphine PK Model pvcVPC

The dashed lines represent the 5th and 95th percentiles of the observed data. The solid line represents the median of the observed data. The red shaded area represents the 95% prediction interval of the median. The blue shaded areas represent the 95% prediction intervals of the 5th and 95th percentiles. The blue dots represent observed data.
