

## Author Declaration

30.01.2018

Dear Editors,

Please find submitted the revision to our manuscript *Hyperedge bundling: supplementary material, source code and sample dataset* by Sheng H. Wang, et al. As detailed in the point-by-point replies, we have now addressed all requests for changes.

We wish to confirm that there are no known conflicts of interest associated with this publication, and there has been no significant financial support for this work that could have influenced its outcome.

We confirm that the manuscript has been read and approved by all named authors and that there are no other persons who satisfied the criteria for authorship but are not listed. We further confirm that the order of authors has been approved by all of us.

We confirm that we have given due consideration to the protection of intellectual property associated with this work and that there are no impediments to publication, including the timing of publication, with respect to intellectual property. In so doing we confirm that we have followed the regulations of our institutions concerning intellectual property.

We understand that the Corresponding Author is the sole contact for the Editorial process (including Editorial Manager and direct communications with the office). He is responsible for communicating with the other authors about progress, submissions of revisions and final approval of proofs. We confirm that we have provided a current, correct email address which is accessible by the Corresponding Author and which has been configured to accept email from [sheng.wang@helsinki.fi](mailto:sheng.wang@helsinki.fi).

Best regards,

Sheng H. Wang on behalf of all authors
