RESEARCH APPROVAL LETTER

Dear Madut,

SUBJECT: Brucellosis at Human- Domestic Animal Interface in Greater Bahr El Ghazal States, South Sudan

I am writing in response to the request for authorization for the study on “**Brucellosis at Human- Domestic Animal Interface in Greater Bahr El Ghazal States**” As part of your thesis.

After close review on the proposal, I am glad to inform you that the ethical committee at the Ministry of Health for the Republic of South Sudan has approved the study. The ministry acknowledges the importance of the study to provide useful data for intervention police on disease control.

Please, keep the Ministry of Health, Republic of South Sudan and States Ministry of Health of Lakes, Wau, Warrap and Aweil informed on the implementation progress. I look forward to the report and recommendations that will be generated from the study. Note that the study should not be published without the consent of the MOH-RSS.

Best regards.
