

Evaluating the Contribution of North American Zoos and Aquariums to Endangered Species Recovery

Judy P. Che-Castaldo, Shelly A. Grow, and Lisa J. Faust

Supplementary Information

Table S1. Complete list of zoos and aquariums that were listed as the responsible party for at least one recovery action in recovery plans for species listed under the U.S. Endangered Species Act as of September 2016. Italicized names do not identify a specific institution to our knowledge. Each institution is listed as it was identified in the recovery plan, and thus may not reflect its official or current institutional name.
