

Meio - Alanine_ aspartate and glutamate metabolism
 Meio - Amino acids_ peptides and amines
 Meio - Anions
 Meio - Bacteriophage and virus functions
 Meio - Carbohydrates_ organic alcohols_ and acids
 Meio - Cations and iron carrying compounds
 Meio - Cysteine and methionine metabolism
 Meio - DNA interactions
 Meio - DNA replication_ recombination_ and repair
 Meio - Enzymes of unknown specificity
 Meio - Oxidative phosphorylation
 Meio - Ribosomal proteins: synthesis and modification
 Meio - Transfer RNA biogenesis
 Meio - Unknown substrate
