

**A**

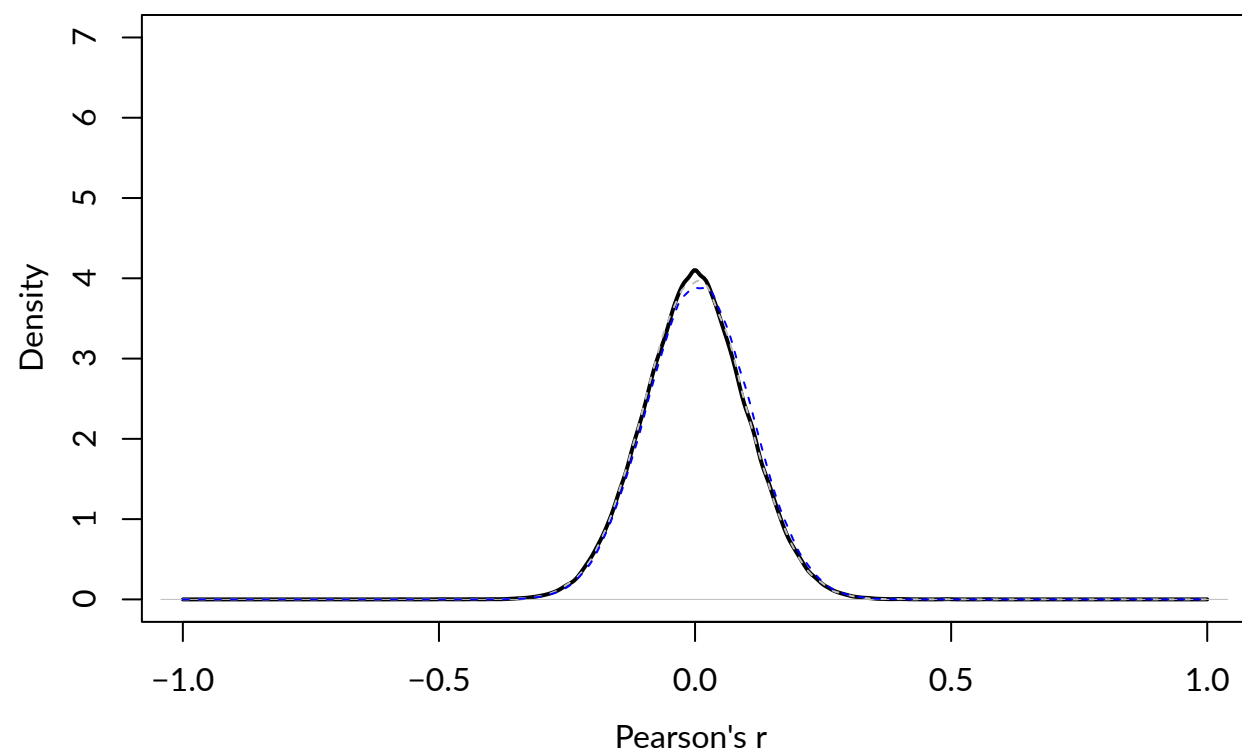

Pairwise microbe correlations: relative abundances

- Ground truth (absolute abundances)
- - - Relative abundances
- - - Relative abundances (from D-M)
- - - Relative abundances (from D-M, only non-zero)

**B**

Pairwise microbe correlations: prevalences

- Ground truth (absolute abundance over zero)
- - - Ground truth (absolute abundance over 0.5)
- - - Simulated prevalences from relative abundance
