

21 December 2017

Dear Dr Brooks

I am pleased to inform you that your application for research ethics approval has been approved. Application details and conditions of approval can be found below. Appendix A contains a list of documents approved by the Committee.

#### **Application Details**

Reference: 2715  
Project Title: Exploring the potential for civic engagement to strengthen mental health systems in Indonesia: IGNITE.  
Principal Investigator/Supervisor: Dr Helen Brooks  
Co-Investigator(s): -  
Lead Student Investigator: -  
Department: Psychological Sciences  
Approval Date: 21/12/2017  
Approval Expiry Date: Five years from the approval date listed above

The application was **APPROVED** subject to the following conditions:

#### **Conditions of approval**

- All serious adverse events must be reported via the Research Integrity and Ethics Team ([ethics@liverpool.ac.uk](mailto:ethics@liverpool.ac.uk)) within 24 hours of their occurrence.
- If you wish to extend the duration of the study beyond the research ethics approval expiry date listed above, a new application should be submitted.
- If you wish to make an amendment to the research, please create and submit an amendment form using the research ethics system.
- If the named Principal Investigator or Supervisor leaves the employment of the University during the course of this approval, the approval will lapse. Therefore it will be necessary to create and submit an amendment form using the research ethics system.
- It is the responsibility of the Principal Investigator/Supervisor to inform all the investigators of the terms of the approval.

Kind regards,

Health and Life Sciences Research Ethics Committee (Psychology, Health and Society)
