

Description of Additional Supplementary Files

File Name: Supplementary Data 1

Description: Super-Enhancer Analysis of KYSE70 Cells

File Name: Supplementary Data 2

Description: Super-Enhancer Analysis of KYSE140 Cells

File Name: Supplementary Data 3

Description: Super-Enhancer Analysis of TE5 Cells

File Name: Supplementary Data 4

Description: Super-Enhancer Analysis of TT Cells

File Name: Supplementary Data 5

Description: Expression Values per Transcript in Gene Expression Analysis of silencing TP63 in TE5 Cells

File Name: Supplementary Data 6

Description: Expression Values per Transcript in Gene Expression Analysis of silencing SOX2 in TE5 Cells

File Name: Supplementary Data 7

Description: Expression Values per Transcript in Gene Expression Analysis of silencing TP63 in KYSE140 Cells

File Name: Supplementary Data 8

Description: Expression Values per Transcript in Gene Expression Analysis of silencing SOX2 in KYSE140 Cells

File Name: Supplementary Data 9

Description: Expression Values per Transcript in Gene Expression Analysis of silencing CCAT1 in TE5 Cells
