PERMISSION TO PUBLISH	Author Confirmation
<p>Before we can move ahead with acceptance and publication of your paper we must receive formal written permission use, edit, publish and distribute your work.</p> <p>Please note that you will retain copyright your paper, but that you are granting Nature Research certain rights and permissions for the full term of copyright and any extension thereto, as outlined in the License to Publish form.</p> <p>Please complete, sign, and return the form linked below. Our legal department demands that we no longer accept “e-signatures” on any legal document, so please return the form with a handwritten signature, or an embedded image of a handwritten signature. All legal forms must be signed by the corresponding author.</p> <p>All contributing authors must be listed on the License to Publish. If you cannot fit the names in the provided field, please instead write “see attached page” and include a second page with the full author list.</p> <p>http://www.nature.com/licenceforms/nai/nai-ltp.docx</p>	<p>Author Initial <u>AS</u></p>
COLOR CHARGE AGREEMENT	Author Confirmation
<p>We are committed to providing authors with the highest quality figures. In order to cover part of the additional cost of four-color reproduction, we charge authors a fee of \$620 for the first color figure and \$310 for each additional color figure. There are no additional submission fees or page charges.</p> <p>Please complete and sign the form linked here and return the form linked below:</p> <p>http://www.nature.com/research/colour-form/rj-colour-figure-forms-2016.pdf</p>	<p>Author Initial <u>AS</u></p>

COMPETING INTEREST STATEMENTS (CI)	Author Confirmation
<p>Nature Research defines Competing Interest (CI) as financial and non-financial interests (including but not limited to funding, employment, stocks, shares, patents, personal or professional relationships with individuals or institutions, unpaid membership advocacy) that could or could be perceived to directly undermine the objectivity, integrity and value of a publication, or could be seen as having an influence on the judgments and actions of authors with regard to objective data presentation, analysis and interpretation.</p> <p>Please thoroughly review our policy on Competing Interests and include a detailed statement in your final manuscript file, <i>and</i> in our manuscript tracking system. Please ensure the statements are identical in both. Be specific about how each point stated relates to the research, list applicable author initials, and/or patent numbers.</p> <p>If there are no competing interests, a negative statement must be included.</p>	<p>Author Initial <u>AS</u></p>
