

The confusion matrices of different classification models.

Fig S3A. The confusion matrices of classification models on contigs (N k -mers = 1000)

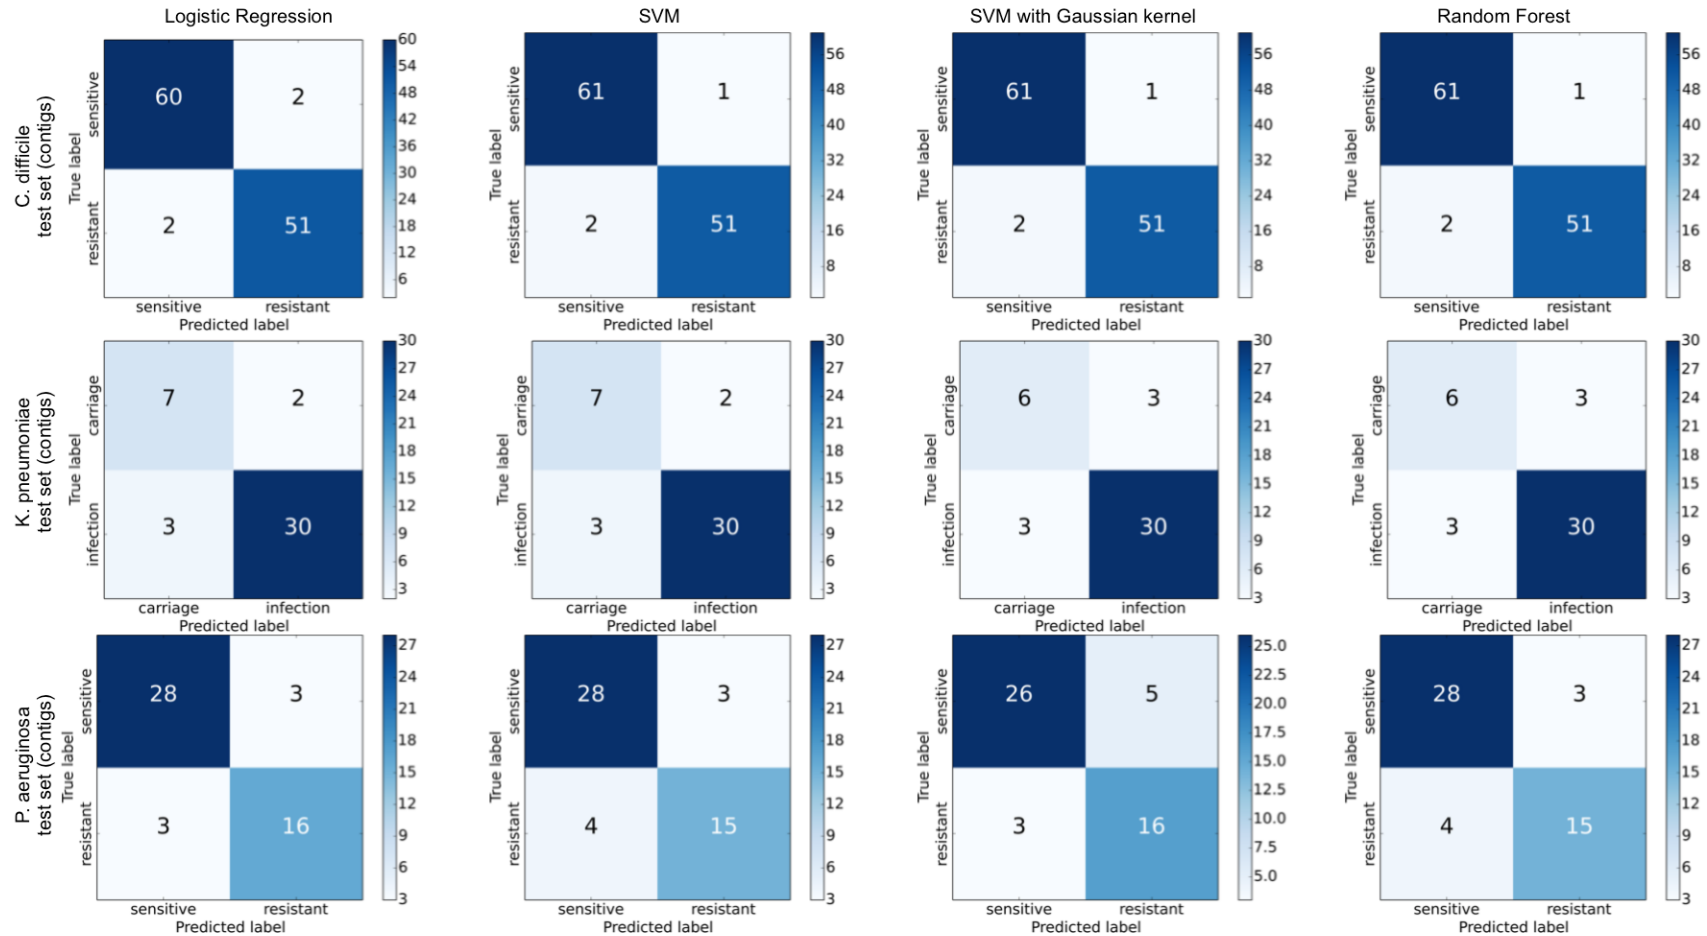

Fig S3B. The confusion matrices of classification models on reads (N k -mers = 1000)

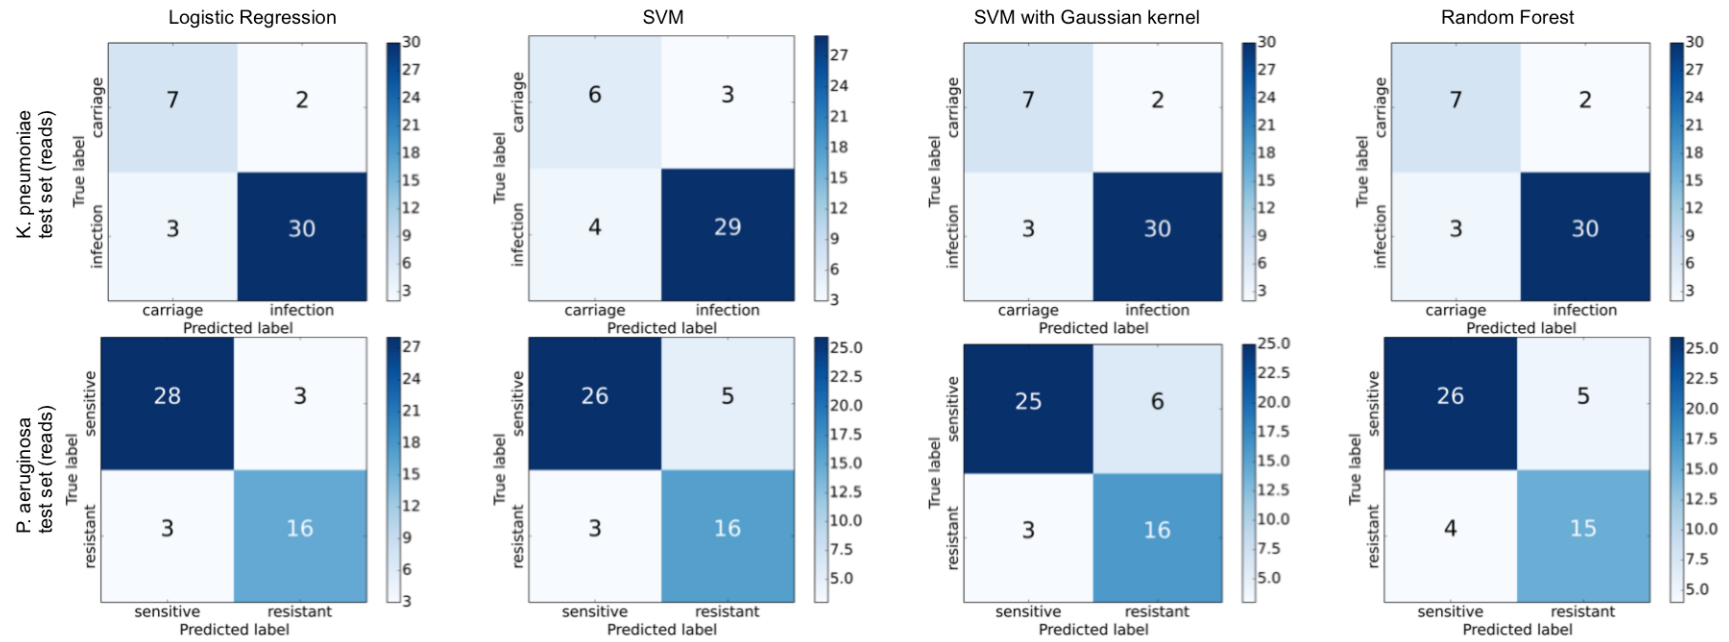

Fig S3C. The confusion matrices of classification models on contigs (N *k*-mers = 10,000)

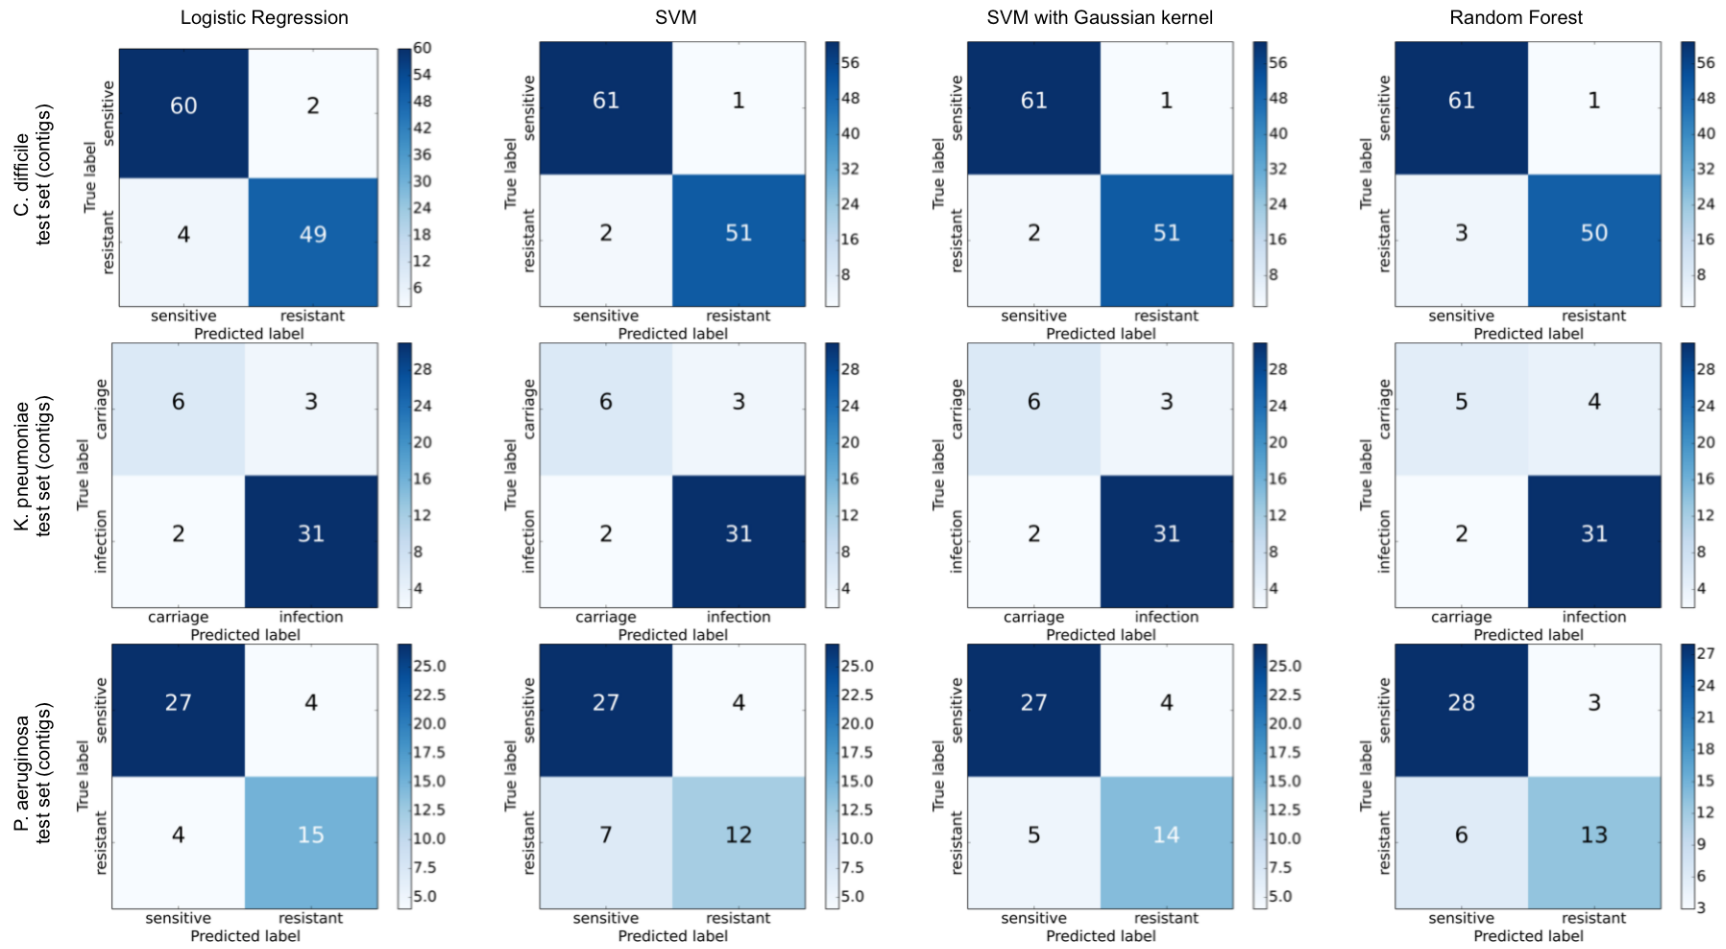

Fig S3D. The confusion matrices of classification models on reads (N k -mers = 10,000)

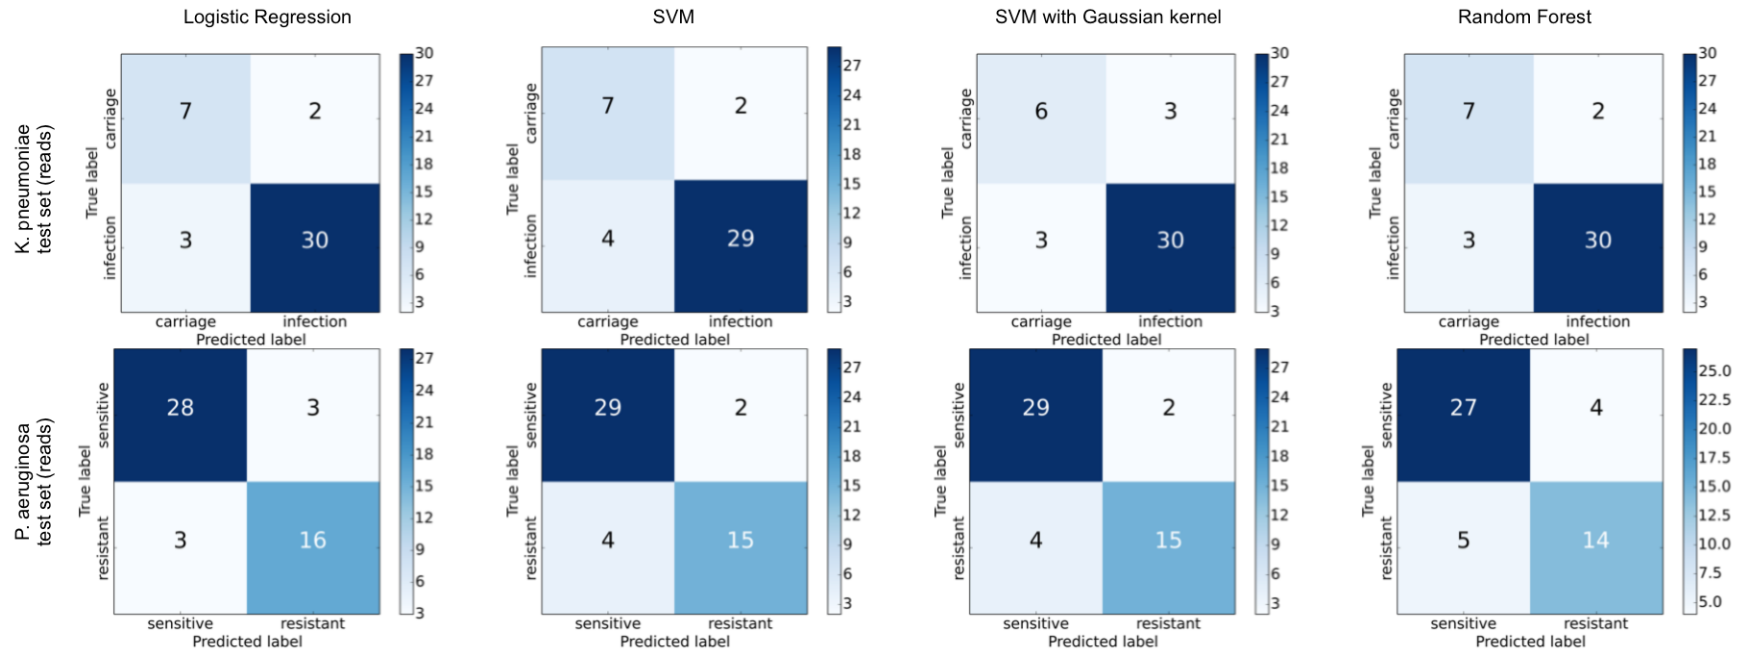

Fig S3E. The confusion matrices of classification models on contigs (N k -mers = 100,000)

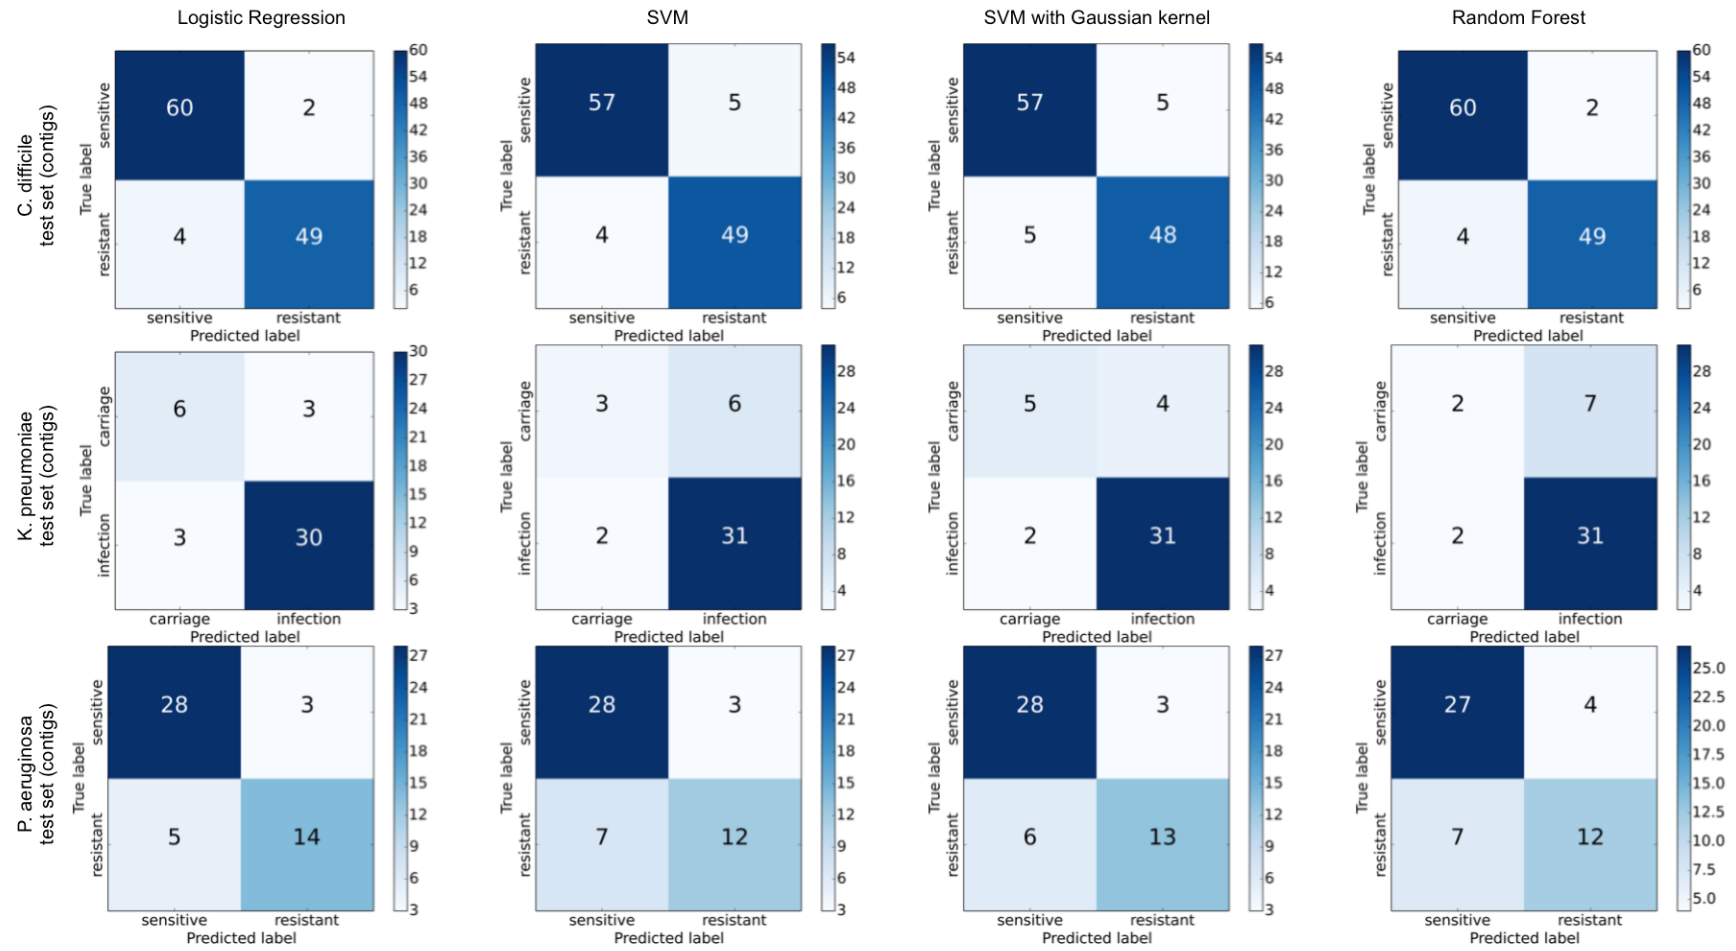

Fig S3F. The confusion matrices of classification models on contigs (N k -mers = 100,000)
